Select the "Video" icon from the main menu. Browse your video files and select one to play. The 1.8-inch screen is suitable for viewing small video clips.

VOICE RECORDER

Access the "Voice Recorder" function to record audio. Ensure sufficient storage space is available. Recordings are saved in a dedicated folder on the device.

E-BOOK READER

The player supports e-books in TXT format. Transfer your TXT files to the device and open them via the "E-book" icon for on-the-go reading.

FILE MANAGEMENT

The "File Folder" option allows you to browse all files and folders stored on the internal memory and any inserted Micro SD card. This provides direct access to your content.

MAINTENANCE

- Keep the device dry. Avoid exposure to moisture or extreme temperatures.
- Clean the screen and body with a soft, dry cloth. Do not use abrasive cleaners.
- Avoid dropping the device or subjecting it to strong impacts.
- Store in a cool, dry place when not in use.

TROUBLESHOOTING

Device Not Powering On

- Ensure the battery is charged. Connect to a power source and allow it to charge for at least 10 minutes before attempting to power on.
- Verify the power switch is in the "ON" position.

No Sound

- Check the volume level. Long press VOL and adjust using the Previous/Next buttons.
- Ensure headphones are properly plugged in. Try a different pair of headphones to rule out faulty headphones.
- If using Bluetooth, ensure the player is correctly paired with your Bluetooth device and the volume on both devices is adequate.

Cannot Transfer Files

- Ensure the USB-C cable is securely connected to both the player and the computer.
- Try a different USB port on your computer.
- Verify that the device is recognized by your computer (e.g., appears as a removable disk).
- Check if the file format is supported by the player.
