Realspace Magellan

Realspace Magellan Corner Computer Desk User Manual

Model: Magellan

INTRODUCTION

This manual provides essential instructions for the assembly, operation, maintenance, and troubleshooting of your Realspace Magellan 60" W Corner Computer Desk. Designed to enhance productivity, this desk offers a spacious work surface and integrated storage solutions. Please read these instructions carefully before beginning assembly or use to ensure proper setup and longevity of your product.

SETUP AND ASSEMBLY

Assembly of the Realspace Magellan Corner Computer Desk is required. For optimal results and safety, it is recommended that **two people** perform the assembly. A screwdriver is the primary tool required; please note that assembly tools are **not included** with the product.

Due to the product's weight and size (approximately 125 pounds), handling by more than one person is necessary. It is strongly advised to assemble the desk in its intended final location. The corner piece attachment may not be designed for frequent relocation, and moving the assembled desk can be challenging.

For professional in-home assembly services, you may contact certified and insured assemblers at **866-388-4350**.

OPERATING FEATURES

The Magellan Corner Computer Desk is designed with several functional features to help organize your workspace:

- **Spacious Desktop:** The 60-inch wide corner desktop provides ample space for your computer, monitor, and other work essentials.
- **Adjustable Shelf Cabinet:** A dedicated cabinet with an adjustable shelf is included, suitable for housing a computer tower or other office equipment. Adjust the shelf height to accommodate your items.
- **Adjustable Open Shelving:** Open shelves are available for easy access storage of notebooks, blank discs, and other supplies. These shelves can also be adjusted to fit various item sizes.
- **File Drawer:** A convenient file drawer is integrated to keep important documents organized. This drawer is designed to accept both letter-size (8-1/2" x 11") and legal-size (8-1/2" x 14") files.

CARE AND MAINTENANCE

Your Realspace Magellan Corner Computer Desk is constructed from MDF with a durable laminate finish. To maintain its appearance and extend its lifespan, follow these simple care guidelines:

- **Cleaning:** Wipe surfaces regularly with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the laminate finish.
- **Spills:** Clean up spills immediately to prevent moisture from penetrating the laminate and MDF.
- **Heat and Moisture:** Protect the desk surface from direct heat and excessive moisture. Use coasters for beverages and heat pads for hot items.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish over time.

TROUBLESHOOTING

Desk Stability and Movement

Issue: The desk feels unstable or is difficult to move after assembly, particularly the corner section.

Solution: The Realspace Magellan Corner Computer Desk is designed for stationary use once assembled. The connection points, especially for the corner piece, are not intended for frequent disassembly or relocation. To prevent damage or instability, assemble the desk in its final desired position. If relocation is absolutely necessary, exercise extreme caution and consider partially disassembling the unit to reduce stress on joints.

SPECIFICATIONS

Brand	Realspace
Model Number	Magellan
Desk Design	Corner Computer Desk
Shape	L-Shape
Color	Grey
Material	Engineered Wood (MDF) with Laminate Finish
