Verilux VD46WW3U

Verilux SmartLight Full Spectrum LED Desk Lamp

Model: VD46WW3U

INTRODUCTION

The Verilux SmartLight Full Spectrum LED Desk Lamp is designed to provide high-quality, healthy lighting for various tasks, including reading, art, and crafting. It features adjustable brightness and color temperature settings, a flexible gooseneck for optimal positioning, and an integrated USB charging port for added convenience. The lamp utilizes flicker-free LED technology with an Optix glare control lens to help reduce eye strain and fatigue.

SETUP

1. **Unpack:** Carefully remove all components from the packaging.

2. **Position the Lamp:** Place the lamp base on a stable, flat surface. Ensure there is adequate space for the flexible gooseneck to be adjusted.

3. **Connect Power:** Insert the power cable into the power input port located on the back of the lamp base. Plug the other end of the power cable into a standard electrical outlet.

OPERATING INSTRUCTIONS

The Verilux SmartLight features intuitive touch controls located on the lamp base.

Power On/Off

To turn the lamp on or off, gently touch the power icon () on the lamp base.

Adjusting Brightness

The lamp offers 8 levels of brightness. To adjust, touch the brightness control icon (☀) repeatedly to cycle through the different intensity levels. The indicator lights on the base will show the current brightness setting.

Adjusting Color Temperature

Choose from 3 color temperature settings (warm white to daylight) to suit your preference. Touch the color temperature icon (☼) repeatedly to cycle through the available options.

Flexible Gooseneck

The lamp features a flexible gooseneck that allows you to easily adjust the position and angle of the light head. Bend and twist the gooseneck to direct light precisely where needed for optimal illumination.

CARE AND MAINTENANCE

- **Cleaning:** Disconnect the lamp from the power outlet before cleaning. Use a soft, dry cloth to wipe down the lamp. Do not use abrasive cleaners, waxes, or solvents as they may damage the finish.
- **LED Lifespan:** The integrated LED light source is designed for long-lasting performance and does not require bulb replacement.
- **Storage:** If storing the lamp for an extended period, ensure it is clean and dry. Store in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp does not turn on.	Power cable not securely connected or no power from outlet.	Ensure the power cable is firmly plugged into both the lamp and the wall outlet. Test the outlet with another device to confirm it has power.
Light flickers or is dim.	Power supply issue or lamp malfunction.	Check power connections. If the issue persists, contact customer support.
USB charging port not working.	Device incompatibility or power issue.	Ensure the lamp is powered on. Verify your device is compatible with 5V/1A USB charging. Try a different USB cable or device.
Touch controls are unresponsive.	Temporary electronic glitch.	Unplug the lamp from the power outlet for 30 seconds, then plug it back in. Try the controls again.
