

Weiser 9GLA84710-003

Weiser Camino and Halifax Entry Lever Featuring SmartKey, Satin Nickel User Manual

1. PRODUCT OVERVIEW

The Weiser San Clemente handleset, featuring the Camino and Halifax levers, offers a sleek, modern aesthetic for your home's entry. Designed with clean lines and a durable Satin Nickel finish, this handleset enhances both security and style. It includes an adjustable screw for easy door mounting and a guaranteed fit, accommodating various standard door preparations. The handleset can be securely locked or unlocked using a key from the exterior or a key/turnpiece from the interior. Its crisp, clean appearance complements modern homes and offices.

Key Features:

- Designed for exterior doors requiring keyed entry and enhanced security.
- Incorporates SmartKey re-key technology, allowing you to re-key the lock in seconds with three simple steps.
- Features a low-profile 1/2 inch exterior depth for a contemporary and streamlined look.
- Equipped with an adjustable latch to ensure compatibility with all standard door preparations.
- Backed by a Lifetime Mechanical and Finish Warranty.
- Contemporary styling suitable for modern homes, offices, and other settings.

2. SETUP AND INSTALLATION

Tools Required:

- Phillips Head Screwdriver
- Tape Measure
- Pencil (for marking)

Installation Steps:

1. **Prepare the Door:** Ensure your door is properly prepared with standard bore holes for a handleset. The adjustable latch is designed to fit common door preparations.
2. **Install the Latch:** Insert the latch into the door edge. The handleset features an adjustable latch to fit standard door preparations. Secure it with the provided screws.
3. **Mount the Exterior Handleset:** Align the exterior handleset with the latch and the lower through-bolt hole. The low-profile design ensures a sleek fit.
4. **Install the Interior Lever:** Attach the interior lever assembly, ensuring the spindle engages correctly with the latch mechanism.
5. **Secure the Handleset:** Fasten the interior and exterior components together using the provided screws. Ensure all connections are snug but do not overtighten.
6. **Install the Strike Plate:** Mount the strike plate on the door frame, aligning it with the latch bolt.

3. OPERATING INSTRUCTIONS

Locking and Unlocking:

- **From the Exterior:** Insert the key into the keyway and turn to lock or unlock the handleset.
- **From the Interior:** Use the turnpiece to lock or unlock the handleset.

SmartKey Re-key Technology:

The Weiser handleset features SmartKey re-key technology, allowing you to re-key your lock in seconds without removing it from the door. This is useful for situations such as moving into a new home, losing keys, or managing multiple doors with a single key.

3 Easy Steps to Re-key:

1. Insert your functioning key and turn it 90 degrees clockwise.
2. Insert the SmartKey tool fully and firmly into the SmartKey hole. Remove the SmartKey tool.
3. Remove your functioning key and insert your new key fully and firmly into the keyway. Turn the new key

180 degrees counter-clockwise. Your lock is now re-keyed.

4. MAINTENANCE

Cleaning:

To maintain the Satin Nickel finish, clean the handleset regularly with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or polishing agents, as these can damage the finish.

Lubrication:

Periodically, apply a silicone-based lubricant to the latch mechanism and keyway to ensure smooth operation. Do not use oil-based lubricants, as they can attract dirt and debris.

5. TROUBLESHOOTING

Common Issues and Solutions:

- **Latch does not engage fully:**
 - Check the alignment of the strike plate on the door frame. Adjust if necessary.
 - Ensure the latch mechanism is installed correctly and moves freely.
- **Key is difficult to turn or does not turn:**
 - Inspect the keyway for any debris or obstructions.
 - Ensure you are using the correct key.
 - If using SmartKey, ensure the key is fully inserted and try the re-keying process if the issue persists with a new key.
- **Handle feels loose:**
 - Tighten the mounting screws on the interior side of the handleset.
 - Ensure all components are properly seated and secured.

6. SPECIFICATIONS

Feature	Detail
Brand	Weiser
Model Number	9GLA84710-003
