## Homedics UHE-WB01A

# Homedics Ultrasonic Portable Humidifier

MODEL: UHE-WB01A

Brand: Homedics

## Introduction

The Homedics UHE-WB01A Personal Travel Cool Mist Humidifier is a compact and portable device designed to provide cool mist humidification. It is suitable for use in personal spaces such as bedrooms, offices, or during travel. This humidifier utilizes ultrasonic technology for quiet operation and is designed to be used with standard water bottles (20 oz. or less).

## What's in the Box

- (1) HoMedics Personal Travel Ultrasonic Mister
- (1) Bottle-neck adapter
- (1) AC power adapter
- (1) Bonus travel bag
- (1) User's manual

## Setup Instructions

1. **Prepare the Water Bottle:** Fill a standard size water bottle (up to 20 oz.) with clean water.
2. **Attach Adapter:** Snap the included bottle-neck adapter onto the head of the filled water bottle. Ensure it is securely fastened to prevent leaks.
3. **Mount Water Bottle:** Carefully invert the water bottle with the adapter and attach it to the top of the humidifier unit. Ensure it is seated firmly.
4. **Connect Power:** Plug the AC power adapter into the humidifier unit and then into a standard electrical outlet.

**Up to 9 hours run time & adjustable mist control**

## Operating Instructions

1. **Power On:** Once the water bottle is securely attached and the unit is plugged in, turn the power knob to the desired mist level.
2. **Adjust Mist Output:** Rotate the control knob to increase or decrease the cool mist output.
3. **Automatic Shut-Off:** The humidifier features an automatic shut-off function that activates when the water bottle runs out, protecting the unit from overheating and ensuring a longer lifespan.
4. **Run Time:** With a full 20 oz. water bottle, the unit can operate for up to 9 hours on its highest setting.

## Maintenance

---

Regular cleaning is essential for optimal performance and longevity of your humidifier. The manufacturer recommends hand washing for care.

- **Daily Maintenance:** Empty and rinse the water reservoir and water bottle daily. Allow to air dry.
- **Weekly Cleaning:**
  - Unplug the unit before cleaning.
  - Remove the water bottle and adapter.
  - Clean the water reservoir and ultrasonic membrane with a soft brush and a solution of equal parts white vinegar and water.

- Rinse thoroughly with clean water.
- Do not submerge the main unit in water. Wipe the exterior with a damp cloth.
- **Storage:** Before storing, ensure the unit is completely dry. Store in a cool, dry place.

## Troubleshooting

Problem	Possible Cause	Solution
No mist or low mist output	Water bottle empty Ultrasonic membrane dirty Unit not properly connected	Refill water bottle Clean ultrasonic membrane as per maintenance instructions Ensure power adapter is securely plugged in
Water leakage	Water bottle not securely attached Water bottle too large (exceeds 20 oz.) Unit overfilled	Ensure bottle-neck adapter is tight and bottle is firmly seated Use a water bottle 20 oz. or less Empty any excess water from the base before attaching the bottle
Unusual noise	Low water level Mineral buildup	Refill water bottle Clean the unit thoroughly

## Specifications

- **Brand:** Homedics
- **Model Name:** Total Comfort Humidifier (UHE-WB01A)
- **Operation Mode:** Ultrasonic
- **Color:** White
- **Product Dimensions:** 7.63"D x 4.5"W x 9.63"H
- **Item Weight:** 0.61 Pounds (9.8 ounces)
- **Room Type:** Bedroom, Office
- **Voltage:** 120 Volts (AC)
- **Capacity:** 20 Fluid Ounces (maximum water bottle size)
- **Special Feature:** Manual control
- **Care instructions:** Hand Wash
- **Assembly required:** No
- **Batteries required:** No
