CalExotics SE-6844-20-2

CalExotics Colt Enhancer Set Instruction Manual

Model: SE-6844-20-2

Introduction

The CalExotics Colt Enhancer Set is designed to provide a comfortable and adjustable experience. This set includes a silicone support band and two interchangeable rings, one made of silicone and one of stainless steel, allowing for personalized use. This manual provides detailed instructions for the safe and effective use, maintenance, and care of your product.

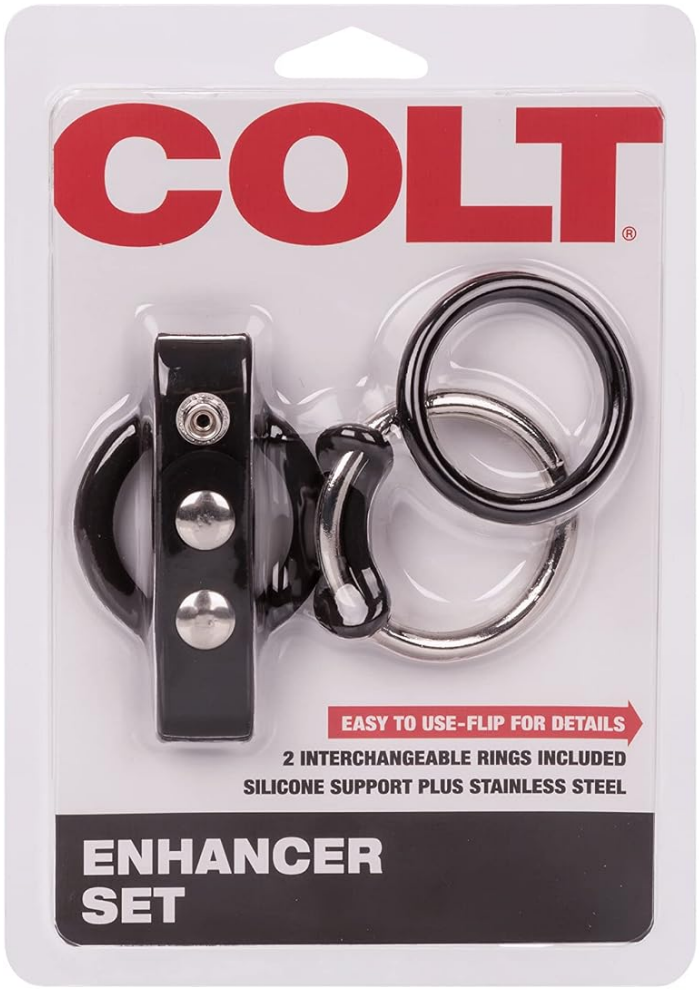

Image: The CalExotics Colt Enhancer Set, featuring the main adjustable silicone band with a metal ring, and an additional silicone ring.

Product Features

- Soft, stretchy, thick, durable, and comfortable silicone triple support system.
- Fully adjustable, three-snap design for a customized fit.
- Includes 2 interchangeable erection rings: one silicone and one stainless steel.
- Secure cinch design ensures the erection ring stays in place and is easy to use.
- Heavy-duty, nickel-free hardware for durability and safety.

Package Contents

Your CalExotics Colt Enhancer Set package should contain the following items:

- 1 x Adjustable Silicone Support Band
- 1 x Stainless Steel Ring (interchangeable)
- 1 x Silicone Ring (interchangeable)

Image: All components of the Colt Enhancer Set laid out separately.

Safety Information

Please read and understand all safety information before using this product. Failure to do so may result in injury or discomfort.

- **For Adult Use Only:** This product is intended for adult use only.
- **Consult a Physician:** If you have any medical conditions, or if you experience pain or discomfort during use, discontinue use immediately and consult a physician.
- **Do Not Overtighten:** Ensure the fit is snug but comfortable. Overtightening can restrict blood flow and cause injury.
- **Limited Use Duration:** Do not wear for more than 30 minutes at a time. Allow for at least 60 minutes between uses. Prolonged use may result in bruising or other injury.
- **Hygiene:** Always clean the product before and after each use to maintain hygiene.
- **Lubrication:** Use only water-based lubricants with silicone products. Oil-based lubricants can damage silicone materials.
- **Storage:** Store in a cool, dry place away from direct sunlight and out of reach of children.

Setup Instructions

1. **Choose Your Ring:** Select either the stainless steel ring or the silicone ring based on your preference.
2. **Attach the Ring:** The silicone support band features a secure cinch design. Gently thread your chosen ring through the loop on the support band until it is securely held.
3. **Adjust the Band:** The support band has a three-snap design. Adjust the snaps to achieve a comfortable and secure fit around the base.

Operating Instructions

1. **Preparation:** Ensure the product is clean and dry before use. Apply a water-based lubricant if desired for increased comfort.
2. **Placement:** Position the assembled enhancer set at the base. The support band should be adjusted to a comfortable tension using the snaps.
3. **Adjustment:** The three-snap design allows for fine-tuning the fit. Experiment with different snap settings to find the most comfortable and effective position. The fit should be snug but never painful or overly restrictive.
4. **Duration of Use:** As per safety guidelines, do not wear the enhancer set for more than 30 minutes at a time. Allow at least 60 minutes between uses.
5. **Removal:** To remove, unfasten the snaps on the support band and gently slide the set off.

Maintenance and Cleaning

Proper cleaning and maintenance will extend the life of your CalExotics Colt Enhancer Set.

- **Cleaning:** Wash the silicone support band and rings thoroughly with warm water and a mild soap before and after each use. Rinse completely to remove all soap residue.
- **Drying:** Pat dry with a lint-free cloth or allow to air dry completely before storing.
- **Storage:** Store the product in a clean, dry, and cool place, away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent material degradation.
- **Avoid Harsh Chemicals:** Do not use alcohol, petroleum-based cleaners, or abrasive cleaning agents, as these can damage the silicone and metal components.

Troubleshooting

Problem	Possible Cause	Solution
Discomfort or Pain	Product is too tight or worn for too long.	Adjust the snaps for a looser fit. Remove the product immediately if pain persists. Limit use to 30 minutes.
Product slips or feels loose	Product is not snug enough.	Adjust the snaps for a tighter, more secure fit. Ensure the ring is properly cinched.
Skin irritation	Improper cleaning or allergic reaction.	Ensure thorough cleaning before and after each use. Discontinue use if irritation persists and consult a physician.
