This patio furniture set is designed for outdoor indoor use in areas such as backyards, porches, gardens, poolside, and balconies. It provides a comfortable space for relaxation and conversation.

- Use the chairs and loveseat for seating only.
- The coffee table is suitable for placing light items such as drinks, books, and small decorative items. Avoid placing excessively heavy objects on the tempered glass top.

- **Cushion Care:** The cushions are designed for easy cleaning. Covers can be removed and are machine washable. For minor spills, wipe clean with a wet cloth.
