› **Ariete Glass Cleaning Nozzle Connector User Manual for Vapori' MV5, MV6, MV7, Hydro Steam Cleaners (Model AT5096008200)**

Ariete AT5096008200

Ariete Glass Cleaning Nozzle Connector User Manual

Model: AT5096008200

1. INTRODUCTION

This manual provides essential instructions for the safe and effective use of your Ariete Glass Cleaning Nozzle Connector. This accessory is designed to enhance the cleaning capabilities of compatible Ariete multi-steamers, specifically for glass surfaces. Please read this manual thoroughly before installation and operation.

2. PRODUCT OVERVIEW

Figure 1: Ariete Glass Cleaning Nozzle Connector. A black, elongated plastic nozzle connector designed for steam cleaners, featuring a narrow tip for precise application and a wider base for attachment.

The Ariete Glass Cleaning Nozzle Connector is an original Ariete accessory, engineered for optimal performance with specific Ariete steam cleaner models. It facilitates targeted steam application for streak-free cleaning of glass surfaces.

3. COMPATIBILITY

This glass cleaning nozzle connector is compatible with various Ariete multi-steamer models. Please verify your steam cleaner's model number against the list below to ensure compatibility.

- **Ariete Vapori' MV5 Series:**

- Models: Multivapori compact, SC520 VAP Kenwood MV5.20, Multi Vapori MVC5, Multi Vapori Base (MVC5), VAP

Ariete MVC5, SC7550 VAP Kenwood MVC5.

- Associated Codes: 00P420510AR0, 00P420510KEDU, 00P420310KEBG, 00P420331ESCD, 00P414300ALBE, 00P420300ARAU, 00P414300ar0, 00P420310KEAU, 00P414300ALUK, 00P414310AR0, 00P420310ARAS, 00P420320AR0, 00P420310AR0, 00P420300AR0.

- Ariete Vapori' MV6 Series:**

- Models: Multi Vapori Base (MVC6), VAP RELIABLE MV6.10 CA.
- Associated Codes: 00P4420910AR0, 00P420440LDF, 00P414400AR0, 00P420430REUS, 00P420420AR0, 00P420400AR0, 00P420440LDDK, 00P420440LDUK, 00P420440LDD, 00P420410AR0.

- Ariete Vapori' MV7 (Hydro) Series:**

- Models: Multi Vapori Hydro (MV7), Multi Vapori Deluxe (MVC7), VAP Ariete MVC7, Multi VAPORi MVC7, VAP Kenwood MVC7.
- Associated Codes: 00P421700ar0, 00P420721ELEU, 00P420721ELME, 00P420730ATEU, 00P421710ateu, 00P420710AR0, 00P420700AR0, 00P420720AR0, 00P420720KEAU.

- Other Compatible Ariete Multi-Steamers:**

- Models: Vapori Jet Maxi Deluxe, Vapori' Jet Easy, MULTI VAPORi JUNIOR (various versions), MVC2, MVC2 Plus, MVC2 INOX, MVC2 INOX PLUS, MVC3 (various versions).
- Associated Codes: 00P410630AR0, 00P410830AR0, 00P417000VOAU, 00P417000ESCD, 00P417000KEBG, 00P417000CPJ, 00P417000ELUK, 00P417000KEAU, 00P417000QLD, 00P417000ELKR, 00P417000KEAS, 00P417000KEIR, 00P417000AR000AR0, 00P417010KEIR, 00P417000ARJ, 00P420810KKEDU, 00P420800AR0, 00P420810AR0, 00P420911ARAR, 00P420900AR0, 00P420910AR0, 00P421401ARIN, 00P421401ALD, 00P421402ALD, 00P4221400ARIN, 00P421402ALDN, 00P421521ARIN, 00P421402ALNL, 00P421521DCUK, 00P421403ARIN.

If your specific model or code is not listed, please contact Ariete customer support for compatibility confirmation before purchase to avoid potential issues.

4. SAFETY INFORMATION

Always observe the following safety precautions when using this accessory with your steam cleaner:

- Ensure the steam cleaner is unplugged and cooled down before attaching or detaching the nozzle.
- Never direct steam at people, pets, or electrical appliances.
- Use caution when cleaning hot surfaces.
- Do not use the nozzle if it is damaged.
- Keep out of reach of children.
- Refer to your main steam cleaner manual for additional safety guidelines.

5. SETUP AND INSTALLATION

- Preparation:** Ensure your Ariete steam cleaner is turned off, unplugged, and has cooled sufficiently to prevent burns.
- Identify Connection Point:** Locate the accessory connection point on your steam cleaner, typically at the end of the steam gun or hose.
- Attach Nozzle:** Align the base of the glass cleaning nozzle connector with the connection point on your steam cleaner. Push firmly until it clicks securely into place. Do not force the attachment.
- Verify Connection:** Gently tug on the nozzle to ensure it is firmly attached and will not detach during use.

6. OPERATING INSTRUCTIONS

Once the glass cleaning nozzle is securely attached, follow these steps for effective glass cleaning:

- 1. Fill Water Tank:** Ensure your steam cleaner's water tank is filled according to its specific instructions.
- 2. Power On:** Plug in and turn on your steam cleaner, allowing it to heat up to the operating temperature.
- 3. Test Steam:** Before applying to glass, direct a short burst of steam into a sink or cloth to ensure consistent steam flow.
- 4. Clean Glass Surfaces:** Hold the nozzle approximately 1-2 inches from the glass surface. Apply steam in even, overlapping strokes, working from top to bottom. For stubborn spots, hold the nozzle over the area for a few extra seconds.
- 5. Wipe Dry:** Immediately after steaming a section, wipe the glass with a clean, lint-free cloth or squeegee to remove moisture and dissolved dirt, preventing streaks.
- 6. Repeat:** Continue this process until all glass surfaces are clean and streak-free.

Note: For best results, pre-clean heavily soiled glass surfaces to remove loose dirt before steaming.

7. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and performance of your nozzle:

- Cleaning:** After each use, allow the nozzle to cool. Wipe the exterior with a damp cloth to remove any residue. Do not use abrasive cleaners or solvents.
- Drying:** Ensure the nozzle is completely dry before storing.
- Storage:** Store the nozzle in a clean, dry place, away from direct sunlight and extreme temperatures.
- Inspection:** Periodically inspect the nozzle for any signs of wear or damage. Replace if necessary.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Nozzle does not attach securely.	Incorrect alignment or incompatible model.	Ensure correct alignment and verify your steam cleaner model is listed in the compatibility section. Do not force.
Steam output is weak or inconsistent.	Issue with the main steam cleaner unit, not the nozzle.	Refer to your steam cleaner's main instruction manual for troubleshooting steam output issues. Ensure water tank is full.
Streaks remain on glass after cleaning.	Insufficient wiping, dirty cloth, or mineral residue.	Wipe immediately after steaming with a clean, lint-free cloth or squeegee. Consider using distilled water in your steam cleaner to reduce mineral deposits.

9. SPECIFICATIONS

Model Number: AT5096008200

Brand: Ariete

Product Dimensions (L x W x H): 4.2 x 4.2 x 16.1 cm (1.65 x 1.65 x 6.34 inches)

Item Weight: 50 grams (0.11 lbs)

Material: Plastic

Compatibility: Ariete Vapori' MV5, MV6, MV7, Hydro, and other specified multi-steamers.

10. WARRANTY AND SUPPORT

For warranty information, technical support, or to inquire about spare parts, please refer to the documentation provided with your main Ariete steam cleaner or visit the official Ariete website. You may also contact Ariete customer service directly for assistance.
