

BarcaLounger Danbury II

BarcaLounger Danbury II Leather Recliner User Manual

Model: Danbury II

PRODUCT OVERVIEW

The BarcaLounger Danbury II is a stately sculptured wingback recliner designed for comfort and durability. It features ball and claw legs, rolled arms with nail head trim accents, and a 3-way reclining mechanism. The recliner includes adjustable zippered upper and lower back pillows and a loose welted boxed seat cushion with pocketed coil springs encased in foam, wrapped in Dacron with a down blend topper. A footrest extension provides additional leg support. The hand-carved wood legs are finished in Espresso.

SETUP INSTRUCTIONS

This product requires minimal assembly. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all components from the packaging. Ensure all parts are present: recliner body, back pillows, seat cushion, and four legs.
2. **Attach Legs:** Locate the designated attachment points on the underside of the recliner frame. Align each leg with its corresponding attachment point and securely fasten them. Ensure all legs are tightened to prevent wobbling.
3. **Position Cushions:** Place the loose welted boxed seat cushion onto the recliner base. Insert the adjustable zippered upper and lower back pillows into their respective positions.
4. **Final Check:** Before use, gently rock the recliner to ensure stability and proper leg attachment.

OPERATING INSTRUCTIONS

The Danbury II recliner offers three reclining positions for optimal comfort.

- **Engaging Recline:** To recline, gently push back on the chair while applying slight pressure to the armrests. The mechanism will smoothly transition through the reclining positions.
- **Footrest Extension:** As you recline, the footrest will extend automatically, providing support for your legs.

- **Returning to Upright Position:** To return to the upright position, lean forward and apply gentle pressure with your feet on the footrest. The footrest will retract, and the chair will return to its original position.
- **Adjusting Back Pillows:** The upper and lower back pillows are zippered and can be adjusted for personalized comfort.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your recliner.

- **Leather Care:** The leather upholstery should be spot washed as needed. Use a clean, damp cloth with a mild leather cleaner. Test any cleaning solution on an inconspicuous area first. Avoid harsh chemicals or abrasive cleaners.
- **Wood Legs:** Wipe the Espresso finished wood legs with a soft, dry cloth to remove dust. Avoid excessive moisture.
- **General Cleaning:** Regularly vacuum the recliner to remove dust and debris from crevices.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause leather to fade or dry out. Position the recliner away from direct sunlight or use window coverings.

TROUBLESHOOTING

If you encounter any issues with your recliner, refer to the following common solutions:

- **Recliner Not Engaging:** Ensure there are no obstructions behind or beneath the recliner that might impede the reclining mechanism. Check that the chair is on a level surface.

- **Wobbling Legs:** Verify that all legs are securely tightened. If a leg feels loose, re-tighten it.
- **Squeaking Noise:** A slight squeak may occur over time. This can often be resolved by applying a small amount of silicone-based lubricant to the moving parts of the reclining mechanism. Avoid oil-based lubricants on fabric or leather.
- **Footrest Not Retracting:** Ensure you are applying sufficient forward pressure and weight to the footrest while leaning forward to return to the upright position.

SPECIFICATIONS

Image: A diagram illustrating the dimensions of the BarcaLounger Danbury II recliner: 45.75 inches height, 38.25 inches depth, and 34.25 inches width.

Brand	BarcaLounger
