3. PRODUCT COMPONENTS

The goki 55898 Wooden Excavator Toy includes the following components:

- 1 x goki Wooden Excavator vehicle

4. SETUP

The goki 55898 Wooden Excavator Toy requires no assembly. It is ready for play directly out of the packaging.

5. OPERATING INSTRUCTIONS

This toy operates manually, encouraging active play and development.

5.1. Moving the Excavator

Push or pull the excavator across a surface. The quiet rubber tires ensure smooth movement and protect floors.

5.2. Operating the Movable Shovel

The excavator features a fully movable shovel arm. Use your hand to grasp the wooden handle on the

shovel arm and manipulate it up, down, and around. This allows for scooping, lifting, and dumping small objects, simulating real-life excavation activities.

6. MAINTENANCE

To ensure the longevity and safety of your goki wooden excavator, follow these maintenance guidelines:

- **Cleaning:** Wipe the toy with a damp cloth and mild soap if necessary. Dry immediately with a clean, dry cloth. Do not immerse in water.
- **Storage:** Store the toy in a dry place, away from direct sunlight and extreme temperatures, to prevent wood warping or fading.
- **Inspection:** Periodically check for any signs of wear, splintering, or loose parts. Tighten any loose screws if applicable.

7. TROUBLESHOOTING

The goki 55898 is a simple mechanical toy, and complex issues are unlikely. However, if you encounter any problems:

- **Stiff Movable Parts:** If the shovel arm becomes stiff, ensure no debris is obstructing its movement. Avoid applying excessive force.
- **Loose Parts:** If any wooden parts or screws become loose, discontinue use immediately. Contact goki customer support for assistance.
