comiso X26

comiso Bluetooth Speaker X26 Instruction Manual

Model: X26 | Brand: comiso

INTRODUCTION

Thank you for choosing the comiso Bluetooth Speaker X26. This portable, waterproof speaker is designed to deliver high-quality 360° HD stereo sound with punchy bass, making it ideal for various indoor and outdoor activities. Please read this manual carefully to ensure proper use and to maximize your listening experience.

PACKAGE CONTENTS

Ensure all items are present in your package:

- 1 x comiso X26 Bluetooth Speaker
- 1 x USB Charging Cable
- 1 x Carabiner (for portability)
- 1 x User Manual

SETUP GUIDE

1. Charging the Speaker

Before first use, fully charge your speaker. The comiso X26 has a 2000mAh battery capacity and takes approximately 3.5 hours to fully charge.

1. Locate the charging port on the speaker (usually covered by a waterproof flap).
2. Connect the provided USB charging cable to the speaker's charging port.
3. Connect the other end of the USB cable to a compatible USB power adapter (5V DC input voltage) or a computer's USB port.
4. The LED indicator will show charging status (e.g., red while charging, off or blue when fully charged).

2. Power On/Off

- To power on: Press and hold the power button () for approximately 3 seconds until you hear an audible prompt and the LED light illuminates.
- To power off: Press and hold the power button () for approximately 3 seconds until the LED light turns off.

3. Bluetooth Pairing

Connect your speaker to a Bluetooth-enabled device (smartphone, tablet, laptop, etc.).

1. Ensure the speaker is powered on and in pairing mode (the LED indicator will typically flash blue).
2. On your device, enable Bluetooth and search for available devices.
3. Select "comiso-X26" from the list of devices.
4. Once connected, the LED indicator will turn solid blue, and you will hear a confirmation tone.

4. True Wireless Stereo (TWS) Pairing

For an enhanced stereo experience, you can pair two comiso X26 speakers together.

1. Ensure both comiso X26 speakers are powered on and not connected to any other Bluetooth device.
2. On one speaker (this will be the master speaker), press and hold the TWS pairing button (refer to speaker diagram if available, or typically the play/pause button or a dedicated button).

3. The speakers will automatically search for each other and pair. Once paired, you will hear a confirmation tone, and the LED indicators on both speakers will synchronize.
4. Connect your device to the master speaker via Bluetooth as described in step 3. Audio will now play in sync through both speakers.

Wireless Pairing

With 360° HD Surround Stereo Sound

OPERATING INSTRUCTIONS

1. Basic Controls

Button	Function
(Power Button)	Press and hold for 3 seconds to Power On/Off.
▶ (Play/Pause)	Press once to Play/Pause music.

Button	Function
+ (Volume Up)	Press once to increase volume. Hold to skip to next track.
- (Volume Down)	Press once to decrease volume. Hold to skip to previous track.
△ (Mode/TWS)	Press once to switch modes (if applicable). Hold to initiate TWS pairing.

2. Call Handling

The comiso X26 features a built-in microphone for hands-free calling when connected to your smartphone.

- To answer a call: Press the ►|| (Play/Pause) button once.
- To end a call: Press the ►|| (Play/Pause) button once during a call.
- To reject a call: Press and hold the ►|| (Play/Pause) button for 2 seconds.

3. Usage Environment

The speaker's IP65 waterproof rating makes it suitable for various environments. It is splashproof, rainproof, and dustproof.

- **Outdoor Use:** Perfect for beaches, poolside, camping, hiking, and other outdoor activities.
- **Indoor Use:** Suitable for home, dorm rooms, kitchens, and bathrooms.
- **Portability:** The compact size and included carabiner allow for easy attachment to backpacks, bicycles, or cup holders.

MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the charging port cover is securely closed before cleaning with water.
- **Water Resistance:** The speaker is IP65 rated, meaning it is protected against dust ingress and low-pressure water jets. Do not submerge the speaker in water for extended periods.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the speaker regularly, even if not in use for extended periods.

TROUBLESHOOTING

Problem	Solution
Speaker does not power on.	Ensure the battery is charged. Connect to a power source and try again.
Cannot pair via Bluetooth.	Ensure the speaker is in pairing mode (flashing blue LED). Make sure your device's Bluetooth is enabled. Move the speaker closer to your device (within 10 meters). Forget "comiso-X26" from your device's Bluetooth list and try pairing again. Restart both the speaker and your device.
No sound or low volume.	Adjust the volume on both the speaker and your connected device. Ensure the speaker is properly paired. Check if the audio source is playing.
TWS pairing fails.	Ensure both speakers are fully charged and not connected to any other device. Place speakers close to each other. Repeat the TWS pairing steps carefully.
Speaker is unresponsive.	Locate the reset button (often a small pinhole near the charging port) and use a thin object (like a paperclip) to press it. This will restart the speaker.

SPECIFICATIONS

Feature	Detail
