## 5. INITIAL SETUP

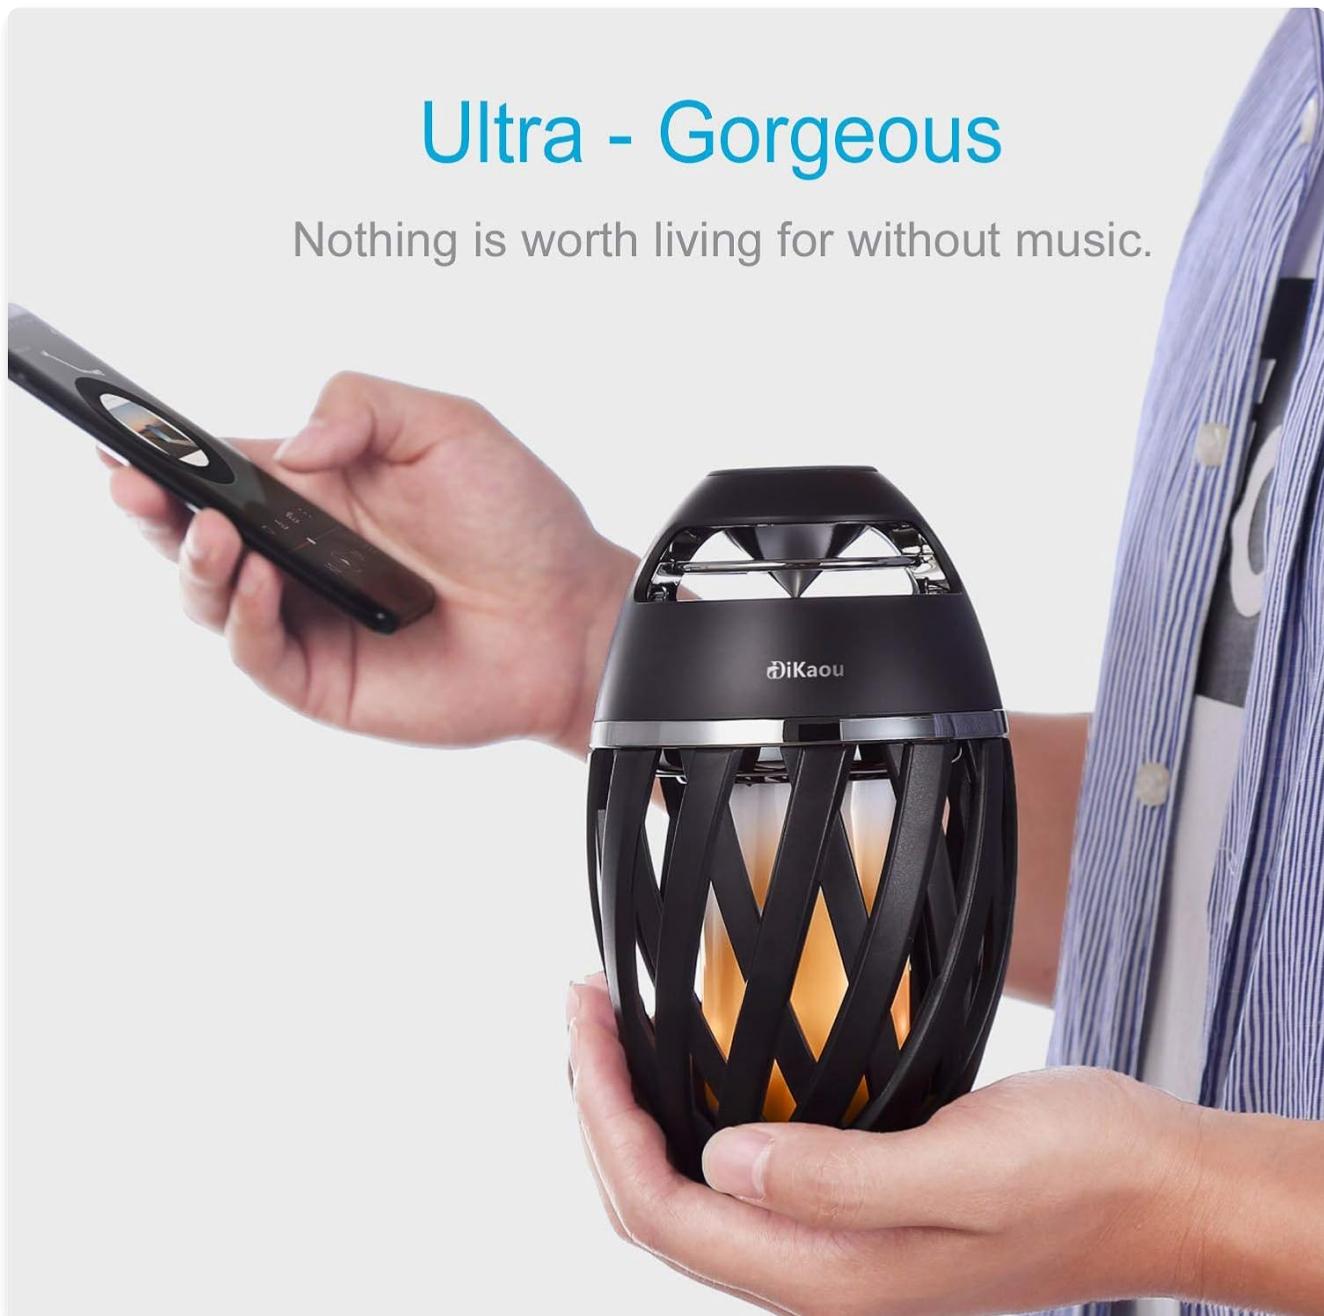

### 5.1 Charging the Speaker

Before first use, fully charge your DiKaou speaker. A full charge takes approximately 5 hours.

1. Locate the charging port on the speaker (usually covered by a rubber flap on the back).
2. Connect the provided USB charging cable to the speaker's charging port.
3. Connect the other end of the USB cable to a compatible USB power adapter (not included) or a computer's USB port.
4. The indicator light on the speaker will show charging status (e.g., red for charging, off or blue for fully charged).

### 5.2 Powering On/Off

- To power on, press and hold the power button () located on the top control panel until you hear an audible prompt or see the indicator lights illuminate.
- To power off, press and hold the power button () again until the lights turn off and you hear a power-off sound.

Top control panel showing power, volume, and light controls.

## 6. OPERATING INSTRUCTIONS

### 6.1 Bluetooth Pairing

Pair your speaker with a Bluetooth-enabled device to stream audio wirelessly.

1. Ensure the speaker is powered on and in Bluetooth pairing mode (indicated by a flashing blue light around the control panel).
2. On your smartphone, tablet, or other Bluetooth device, enable Bluetooth and search for available devices.

3. Select "DiKaou DK-A1-BK" (or similar name) from the list of found devices.
4. Once successfully paired, you will hear a confirmation sound, and the blue indicator light will become solid.
5. The speaker will automatically reconnect to the last paired device when powered on, if the device's Bluetooth is active and within range.

## 6.2 Music Playback Controls

- **Play/Pause:** Press the Play/Pause button () in the center of the control panel to play or pause music.
- **Volume Up:** Press the '+' button to increase the volume.
- **Volume Down:** Press the '-' button to decrease the volume.
- **Next Track:** Press and hold the '+' button to skip to the next track.
- **Previous Track:** Press and hold the '-' button to go to the previous track.

## 6.3 Flame Light Operation

The integrated flame lamp can be operated independently of the audio function.

- Press the light bulb button () on the control panel to cycle through light modes:
  - Flickering Flame Effect (default)
  - Solid Light Mode
  - Light Off

The speaker provides both audio and a warm flame ambiance, ideal for relaxation.

## 7. CARE AND MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the speaker's exterior. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The speaker is splashproof. Do not submerge it in water or expose it to heavy rain. Ensure the charging port cover is securely closed when not charging to maintain water resistance.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge it regularly, even if not in constant use.

## 8. TROUBLESHOOTING

Problem	Possible Solution
Speaker does not power on.	Battery may be depleted. Connect the speaker to a power source using the USB cable and charge for at least 30 minutes before attempting to power on again.
No sound from the speaker.	Ensure the speaker's volume is turned up. Check the volume on your connected Bluetooth device. Verify that the speaker is successfully paired with your device via Bluetooth.
Cannot pair with Bluetooth device.	Ensure the speaker is in pairing mode (flashing blue light). Make sure Bluetooth is enabled on your device. Move the speaker closer to your device. Turn off and on both the speaker and your device's Bluetooth, then try pairing again. If multiple devices are nearby, ensure you are selecting the correct "DiKaou DK-A1-BK" device.
Flame light is not working.	Press the light bulb button () on the control panel to cycle through the light modes. Ensure the battery has sufficient charge.

## 9. WARRANTY AND SUPPORT

### 9.1 Warranty Information

The DiKaou Outdoor Bluetooth Speaker with Flame Atmosphere Lamp is covered by a **1-year manufacturer's warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims. The warranty does not cover damage caused by misuse, accidents, unauthorized modifications, or normal wear and tear.

### 9.2 Customer Support

For any questions, technical assistance, or warranty claims, please contact DiKaou customer support through the retailer's platform or visit the official DiKaou website for contact details.
