Maintenance and Care

To ensure the longevity and cleanliness of your Aurora® Rainbow Unicorn™, follow these care instructions:

- **Spot Cleaning:** For minor stains, use a damp cloth with mild soap to gently clean the affected area. Blot dry with a clean towel.
- **Hand Washing:** For a more thorough cleaning, hand wash the plush toy using cold water and a gentle detergent. Avoid harsh scrubbing to preserve the material's softness and integrity.
- **Drying:** Air dry the unicorn completely. Do not use a machine dryer, as high heat can damage the plush material and internal components.
- **Avoid Bleach:** Do not use bleach or harsh chemicals, as these can discolor or damage the fabric.

Troubleshooting

Most issues with plush toys are minor and can be resolved with simple care.

- **Shedding:** Minimal shedding may occur, especially with new plush toys. This typically reduces over time.
- **Loss of Softness:** Regular gentle cleaning and air drying can help maintain the plush's softness. Avoid excessive washing or harsh detergents.
- **Damage to Stitching:** If stitching becomes loose, carefully hand-stitch the area to prevent further damage.
