SAFETY INFORMATION

WARNING: For external use only. Do not ingest.

- Keep away from flames and high heat sources.
- Keep out of reach of children and pets.
- Avoid direct contact with eyes. In case of contact, rinse thoroughly with water.
- Discontinue use immediately if redness or irritation occurs. Consult a specialist if irritation persists.
- For pregnant and breastfeeding individuals, consult a healthcare professional before use.

USAGE INSTRUCTIONS

Lagunamoon essential oils are versatile and can be used in various ways to enhance your environment and well-being.

Always ensure proper ventilation when diffusing.

General Directions:

- Due to the purity of the oils, please use for external use only.
- Always perform a patch test on a small area of skin before topical application to check for sensitivity.
- Dilute essential oils with a carrier oil (such as jojoba, almond, or coconut oil) for topical use.

Specific Applications:

Release Your Creativity

Ideal for DIY candle-making, room sprays, or custom aromatherapy blends.

Image: Visual instructions on how to use essential oils for three common applications: adding 10 drops to a water-filled diffuser, 20 drops per 3 cups of cleaning solution, and 15 drops per ounce of wax for candle making.

- **Aromatherapy Diffuser:** Add 5-10 drops of your chosen essential oil(s) to a water-filled diffuser. Adjust the number of drops based on room size and desired intensity.
- **DIY Cleaning Products:** Incorporate 15-20 drops per 3 cups of cleaning solution for a natural and fragrant boost.
- **Candle Making:** Add approximately 10-15 drops of essential oil per ounce of wax used. Adjust to achieve desired scent strength.
- **Topical Application:** Dilute 1-2 drops of essential oil with a teaspoon of carrier oil and apply to pulse points, temples, or desired areas.
- **Bath & Shower:** Add a few drops to bathwater (diluted with a carrier oil first) or to a washcloth in the shower for an aromatic experience.

CARE AND STORAGE

To maintain the potency and longevity of your Lagunamoon Essential Oils, proper care and storage are essential:

- Store bottles in a cool, dark place, away from direct sunlight and heat.
- Ensure caps are tightly sealed after each use to prevent oxidation and evaporation.
- Keep bottles upright to prevent leakage.
- The FrostProtect bottle design helps maintain stability for over 24 months when stored correctly.

TROUBLESHOOTING

If you encounter any issues with your essential oils, consider the following:

- **Weak Scent:** Ensure proper dosage for your application (e.g., enough drops in a diffuser). Check if the oil has been stored correctly and is within its shelf life.
- **Skin Irritation:** Immediately discontinue use. Ensure oils are properly diluted with a carrier oil before topical application. Perform a patch test before widespread use.
- **Oil Leakage:** Always ensure bottle caps are securely tightened after each use. Store bottles upright.

For persistent issues or concerns, please refer to the Warranty and Support section.
