SEGA SX002082

SUPERBEAT: XONiC - Nintendo Switch User Manual

Model: SX002082

Introduction

SUPERBEAT: XONiC is a high-speed music rhythm game designed for the Nintendo Switch. This manual provides essential information for setting up, playing, maintaining, and troubleshooting your game to ensure an optimal experience. The game features a wide selection of music genres and challenging play patterns, offering hours of engaging rhythm action.

Setup

Inserting the Game Card

1. Ensure your Nintendo Switch console is powered off or in sleep mode.
2. Locate the game card slot on the top right side of the Nintendo Switch console.
3. Insert the SUPERBEAT: XONiC game card into the slot with the label facing the same direction as the console's screen until it clicks into place.
4. Power on your Nintendo Switch. The game icon should appear on the HOME Menu.

Initial Game Launch

- Select the SUPERBEAT: XONiC icon from the HOME Menu to start the game.
- Follow any on-screen prompts for initial setup, such as language selection or data storage.

Operating the Game

Gameplay Overview

SUPERBEAT: XONiC is a rhythm game where players press buttons or tap the screen in sync with musical notes appearing on screen. Accurate timing and consecutive successful presses build combos and increase your score.

Game Modes

- **4TRAX:** Beginner-friendly mode with fewer note lanes.
- **6TRAX:** Standard mode with six note lanes for increased challenge.
- **6TRAX FX:** Advanced mode with additional FX notes for expert players.
- **Tutorial Mode:** Provides guidance on basic and advanced gameplay mechanics.
- **Free Style:** Allows players to practice songs without score penalties.

Controls

The game supports both traditional button controls and touch screen controls in handheld mode.

- **Traditional Controls:** Use the Joy-Con controllers or a Pro Controller to press corresponding buttons as notes reach the judgment line.
- **Touch Screen Controls:** In handheld mode, directly tap the notes on the screen as they align with the judgment line.

Scoring and Ranking

Achieve higher scores by hitting notes with precise timing. Consecutive perfect hits build a combo, which further boosts your score. Your performance is ranked locally and globally, allowing you to compete with other players.

Maintenance

Game Card Care

- Store the game card in its original case when not in use to protect it from dust and damage.
- Avoid touching the metal connectors on the back of the game card.
- If the game card becomes dirty, gently wipe it with a soft, dry cloth. Do not use liquids or abrasive cleaners.

Console Care

- Keep your Nintendo Switch console clean and free from dust.
- Ensure proper ventilation when playing for extended periods.
- Avoid exposing the console or game card to extreme temperatures or direct sunlight.

Troubleshooting

Common Issues and Solutions

Issue	Possible Solution
Game does not start or freezes	Ensure the game card is properly inserted. Restart the Nintendo Switch console. Check for system updates.
Controls are unresponsive	Check Joy-Con or Pro Controller connection. Ensure controllers are charged. Recalibrate controllers if necessary via system settings.
No sound or distorted audio	Check console volume settings. Ensure headphones/speakers are properly connected. Restart the game or console.
Game performance issues (lag, frame drops)	Close other applications running in the background. Ensure sufficient free storage space on the console.

If issues persist, please refer to the official Nintendo Switch support website or the game publisher's support channels.

Specifications

Feature	Detail
Platform	Nintendo Switch
