## 2. SETUP AND ASSEMBLY

The Brightech Leaf Pharmacy LED Floor Lamp is designed for straightforward assembly. Follow these steps to set up your lamp:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components are present according to the parts list (not provided in this manual, refer to packaging).
2. **Assemble Pole Sections:** Connect the pole sections by gently twisting them clockwise until secure. Ensure all connections are tight to prevent wobbling.
3. **Attach Lamp Head:** Secure the lamp head to the top pole section.
4. **Connect to Base:** Attach the assembled pole to the heavy weighted base. Tighten securely.
5. **Plug In:** Insert the power adapter into a standard electrical outlet.

### 3. OPERATING INSTRUCTIONS

Your Brightech Leaf Pharmacy LED Floor Lamp offers versatile lighting control and positioning.

#### 3.1 Power and Dimming

The lamp features an adjustable touch switch for power and brightness control.

- **To Turn On/Off:** Lightly tap the touch switch located on the lamp.
- **To Adjust Brightness:** Tap the switch repeatedly to cycle through the three brightness levels: 100%, 50%, and 25%.

### 3.2 Adjusting the Lamp Head and Arm

The lamp's head and swing arm are designed for easy rotation and adjustment to direct light precisely where needed.

- **Swivel Arm:** Gently pivot the arm horizontally to position the light over your desired area.
- **Tilt Head:** The lamp head can be tilted vertically to adjust the angle of illumination.

## 4. MAINTENANCE

To ensure the longevity and optimal performance of your lamp, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the lamp with a soft, dry cloth. Avoid using abrasive cleaners or solvents, as these may damage the finish.
- **LED Light Source:** The lamp features an integrated LED light bulb designed to last approximately 20,000 hours and does not require replacement.
- **Cord Care:** Ensure the power cord is not pinched or placed under heavy objects.

## 5. TROUBLESHOOTING

If you encounter any issues with your Brightech Leaf Pharmacy LED Floor Lamp, refer to the following common troubleshooting steps:

- **Lamp Not Turning On:**
  - Ensure the power cord is securely plugged into a functional electrical outlet.

- Check if the outlet is receiving power by plugging in another device.
- Verify that the touch switch is being tapped correctly.

- **Lamp Not Turning Off or Dimming Incorrectly:**

- Unplug the lamp from the power outlet for 30 seconds, then plug it back in to reset the internal controls.
- Ensure the touch switch is clean and free from debris.

- **Lamp Wobbles:**

- Ensure all pole sections and the base are securely tightened.
- Verify the lamp is placed on a flat, stable surface.

If the issue persists after attempting these steps, please contact Brightech customer support.

## 6. SPECIFICATIONS

Feature	Detail
Model Number	211179AB
Brand	Brightech
Color	Gold
Finish Type	Brushed
