Graco Solano 4-in-1 Convertible Crib and Changer with Drawer User Manual

Brand: Graco | Model: 04587-601

1. INTRODUCTION

The Graco Solano 4-in-1 Convertible Crib & Changer with Drawer is designed to adapt to your child's growth, offering a versatile solution for your nursery. This unit combines a crib with an attached changing table and a convenient storage drawer, providing functionality and style. It is equipped with a 3-position adjustable mattress support base and can convert into a daybed, toddler bed, and full-size bed (conversion kits sold separately).

This product is JPMA certified and meets or exceeds all applicable ASTM International and CPSC safety standards, ensuring a safe environment for your child.

2. KEY FEATURES

- **4-in-1 Convertible Design:** Easily transitions from a baby crib to a toddler bed, daybed, and full-size bed with headboard & optional footboard. (Toddler guardrails and full-size conversion kit sold separately).
- **Integrated Changing Table:** Features 2 open shelves and includes a water-resistant changing pad with a safety strap for convenient diaper changes and storage.
- **Under-Crib Storage Drawer:** A full-size drawer with 2 compartments provides additional space for nursery essentials.
- **Adjustable Mattress Support:** Offers 3 different height options to accommodate your growing baby.
- **Safety Certifications:** GREENGUARD Gold Certified and JPMA Certified, ensuring the product meets stringent safety and air quality standards.

- **Durable Construction:** Crafted from pine wood, engineered wood, and wood composites with Euro drawer glides for lasting quality.

3. SETUP AND ASSEMBLY

Assembly of the Graco Solano 4-in-1 Convertible Crib and Changer is required. Please refer to the detailed Assembly Instruction manual included with your product for step-by-step guidance. Ensure all hardware is present before beginning assembly.

It is recommended to have two adults for assembly to ensure proper and safe construction. Follow all diagrams and instructions carefully to prevent damage or improper setup.

4. CONVERSION OPTIONS

The Graco Solano is designed to grow with your child through four stages:

1. **Crib:** Suitable for infants. The mattress support base can be adjusted to three different heights.
2. **Toddler Bed:** Convert the crib into a toddler bed by removing the front rail and adding a compatible toddler guardrail (sold separately).
3. **Daybed:** For older toddlers, the crib can be converted into a daybed by removing the front rail.
4. **Full-Size Bed:** For continued use, the crib can transform into a full-size bed with the headboard and

optional footboard (full-size conversion kit sold separately).

Includes a
water-resistant
changing pad

Refer to your included instruction manual for specific steps and required hardware for each conversion stage.

5. OPERATING INSTRUCTIONS

5.1. Mattress Height Adjustment

The mattress support base can be adjusted to three different height positions. The highest position is recommended for newborns to allow easy access to your baby. As your child grows and becomes more mobile (e.g., begins to push up on hands and knees, or can sit unassisted), lower the mattress support to prevent climbing out. Always ensure the mattress is at the lowest position once your child can stand.

5.2. Storage Drawer Usage

The integrated storage drawer underneath the crib provides convenient access to blankets, sheets, or other nursery items. The drawer features two compartments for organization and operates on smooth Euro glides.

Image 4: The under-crib storage drawer fully extended, revealing its two partitioned sections for organized storage.

5.3. Changing Table Usage

The attached changing table includes two open shelves for storing diapers, wipes, and other changing essentials. A water-resistant changing pad with a safety strap is included for secure and hygienic diaper changes.

6. MAINTENANCE AND CARE

To maintain the quality and appearance of your Graco Solano crib and changer, wipe surfaces with a damp cloth. Avoid using abrasive cleaners or harsh chemicals that may damage the finish. Regularly check all screws and bolts to ensure they are tight and secure. Do not over-tighten.

7. IMPORTANT SAFETY INFORMATION

- Always use a crib mattress that meets the standard dimensions for full-size cribs and fits snugly without gaps.
- Never use plastic shipping bags or other plastic film as mattress covers, as they can cause suffocation.

- Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not place items with a string or cord around a child's neck, such as hood strings or pacifier cords.
- Discontinue use of the crib when your child begins to climb out or reaches a height of 35 inches (89 cm).
- This product is GREENGUARD Gold Certified, meaning it has been screened for over 10,000 chemicals and VOCs known to pollute indoor air. It is also JPMA Certified, meeting or exceeding all applicable voluntary and mandatory safety standards.

For comprehensive safety guidelines, always refer to the safety information provided in your included instruction manual.

8. TROUBLESHOOTING

- **Loose Parts:** If any parts feel loose, re-tighten all screws and bolts. Do not over-tighten.
- **Difficulty with Drawer:** Ensure the drawer glides are clean and free of obstructions. Check that the drawer is properly aligned on its tracks.
- **Conversion Issues:** If experiencing difficulty converting the crib, double-check the instruction manual for the specific steps and ensure all correct parts are being used for the desired configuration.

If problems persist, please contact Graco customer support for assistance.

9. SPECIFICATIONS

Feature	Detail
Brand	Graco
Model Number	04587-601
