# tech21 Evo Check Case for Google Pixel 2 Instruction Manual

Model: T21-5803

## 1. PRODUCT OVERVIEW

The tech21 Evo Check Case is designed to provide advanced impact protection for your Google Pixel 2. Utilizing FlexShock™ technology, this case offers robust defense against drops while maintaining a slim and lightweight profile. Its distinctive checked pattern adds a subtle aesthetic.

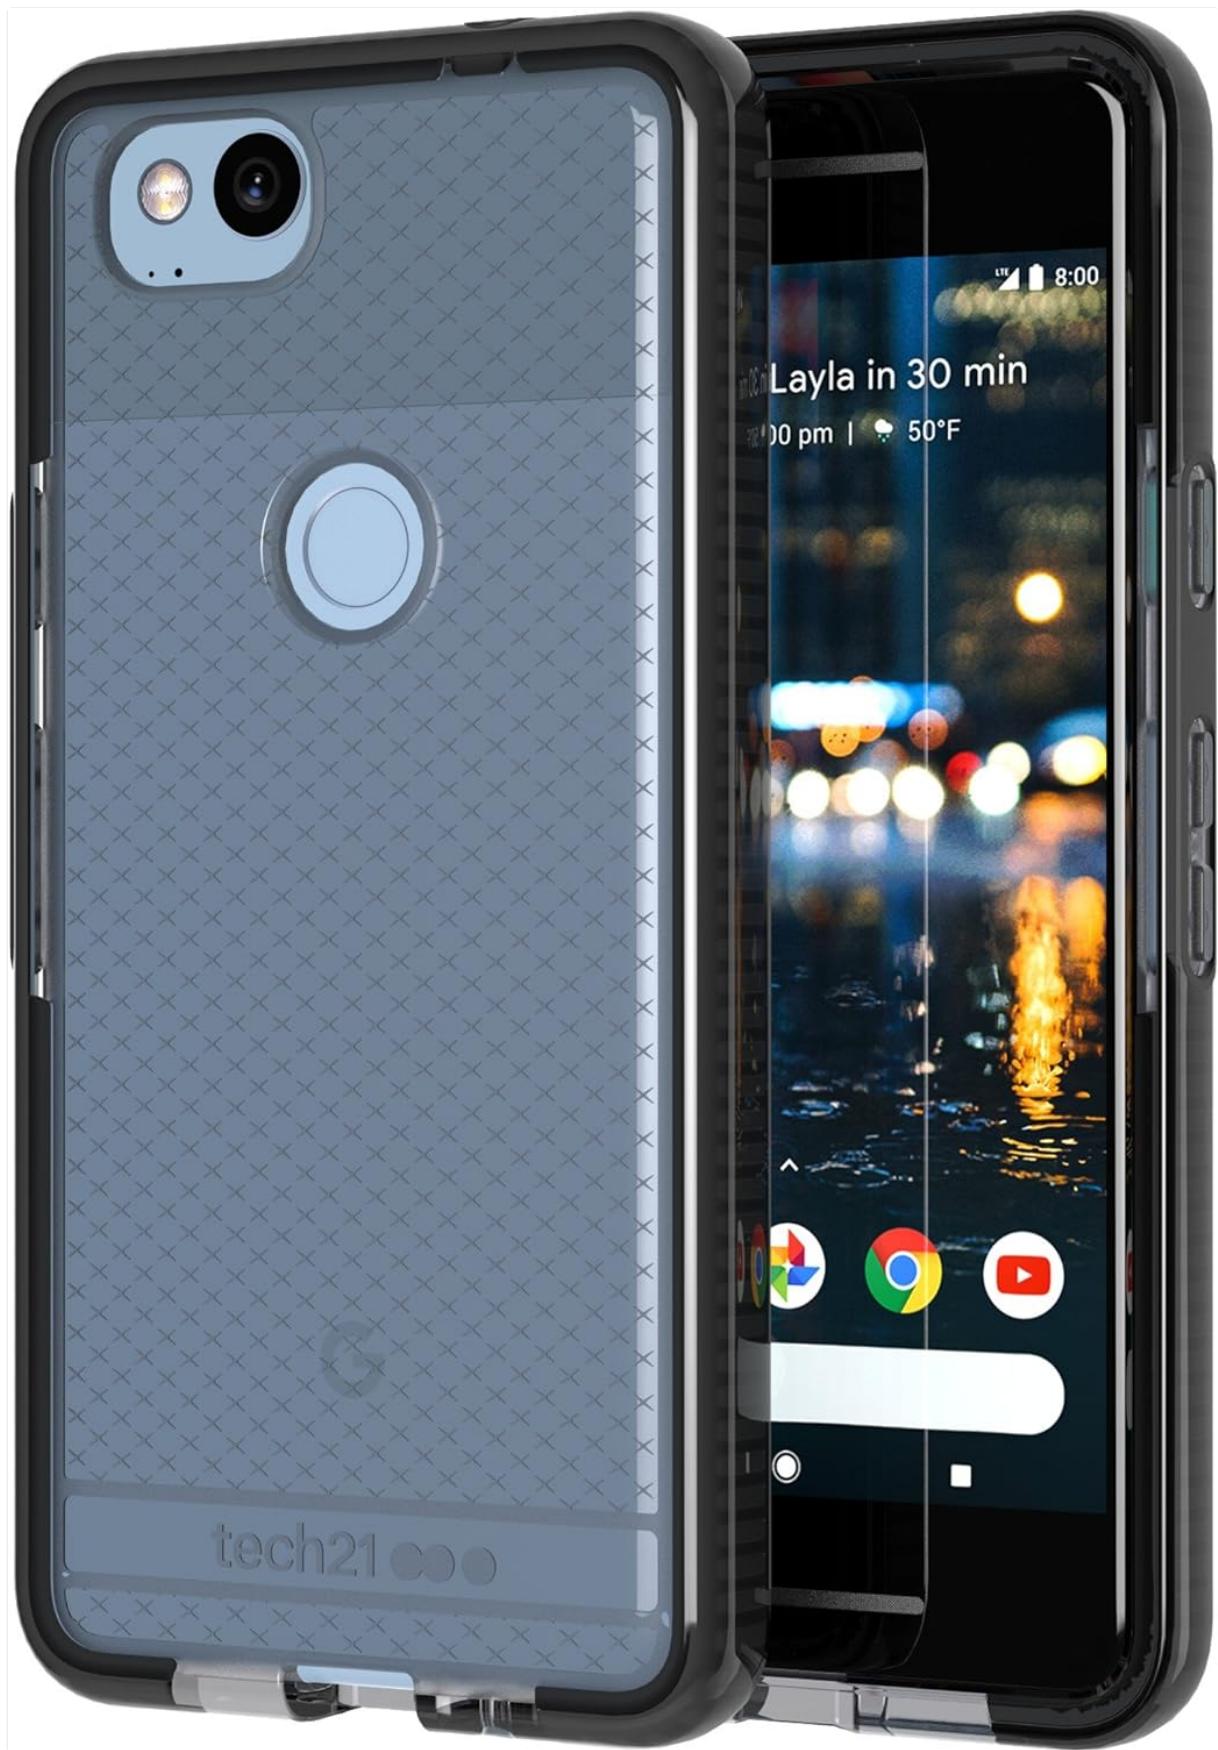

Image 1.1: Front and back view of the tech21 Evo Check Case with a Google Pixel 2 phone inserted. The case features a smokey/black finish with a subtle checked pattern on the back.

## Key Features:

- **FlexShock™ Protection:** Advanced material engineered to absorb and dissipate impact force, offering drop protection up to 12 feet (3.6 meters).
- **Slim and Lightweight Design:** Approximately 30% thinner and 60% lighter than comparable protective cases.

- **Responsive Buttons:** Integrated flexible buttons ensure tactile feedback and full functionality.
- **Full Port Access:** Precision cutouts allow unobstructed access to all ports, speakers, and camera.
- **Matted Texture:** Designed to resist fingerprints and provide enhanced grip.

## 2. SETUP AND INSTALLATION

---

Follow these steps to correctly install your tech21 Evo Check Case onto your Google Pixel 2 device.

1. **Prepare Your Device:** Ensure your Google Pixel 2 is clean and free of dust or debris.
2. **Insert Top Edge:** Gently slide the top edge of your Google Pixel 2 into the top of the case, aligning the camera and speaker cutouts.
3. **Press Down Sides:** Apply gentle pressure to the sides of the case, working your way down, until the phone is fully seated within the case. Ensure all edges of the phone are securely covered by the case's perimeter.
4. **Check Fit:** Verify that all buttons (power, volume) are aligned and functional, and that all ports (charging, headphone jack if applicable) are accessible.

### Removal:

To remove the case, gently peel back one of the top corners of the case from the phone, then carefully work your way around the edges until the phone can be lifted out.

## 3. OPERATING INSTRUCTIONS

---

Once installed, the tech21 Evo Check Case allows full functionality of your Google Pixel 2.

- **Button Access:** The case features integrated button covers for the power and volume buttons. These are designed to be responsive and provide tactile feedback.
- **Port Access:** Precision cutouts ensure that the charging port, speakers, and microphone are fully accessible without removing the case.
- **Camera and Sensor Access:** The camera lens, flash, and fingerprint sensor (on the back of the Pixel 2) have dedicated cutouts for unobstructed use.

## 4. MAINTENANCE AND CARE

---

To ensure the longevity and appearance of your tech21 Evo Check Case, follow these simple care instructions:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid harsh chemicals or abrasive cleaners, as these may damage the material or finish.
- **Avoid Extreme Temperatures:** Do not expose the case to extreme heat or cold, as this can affect the material's integrity and protective properties.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your tech21 Evo Check Case, consider the following common solutions:

- **Case Does Not Fit:**

- Ensure you have the correct model case for your device (Google Pixel 2). This case is not compatible with Google Pixel 2 XL or other Pixel models.
- Verify that the phone is inserted correctly, aligning the top edge first and then pressing down the sides.

- **Buttons Are Stiff or Unresponsive:**

- Remove the case and re-install it, ensuring proper alignment.
- Over time, the flexible buttons should become more pliable with use.

- **Ports Are Blocked:**

- Confirm the phone is fully seated in the case.

- Check for any debris obstructing the port cutouts.

## 6. SPECIFICATIONS
