Maintenance and Care

- **Cleaning Rattan:** Wipe the synthetic rattan frame with a soft cloth dampened with mild soap and water. Rinse thoroughly and dry completely. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The cushions are weather-resistant. For general cleaning, spot clean with a mild soap solution and allow to air dry. For deeper cleaning, refer to the care label on the cushions. Store cushions indoors during prolonged periods of non-use or inclement weather to prevent fading and mildew.
- **Tempered Glass:** Clean the tempered glass table top with a glass cleaner and a soft cloth.
- **Frame Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.
- **Weather Protection:** While designed for outdoor use, covering the furniture set with a protective cover when not in use, especially during off-season or severe weather, will extend its life.
