Mega Brands Pokémon Togepi Building Set Instruction Manual

Model: FNL88

INTRODUCTION

Thank you for choosing the Mega Brands Pokémon Togepi Building Set. This set allows you to construct a detailed Togepi figure and its accompanying Poke Ball. Designed for ages 6 and up, this set promotes creative building and imaginative play. Please read these instructions carefully before assembly to ensure a smooth and enjoyable building experience.

Included Components:

- Buildable Togepi figure pieces
- Poke Ball with a pronged top and interior for figure display
- Instruction booklet (this manual)

This product is part of a series of buildable Pokémon figures. Collect all 6 to expand your Pokémon world.

SETUP AND ASSEMBLY

Follow these steps to assemble your Mega Brands Pokémon Togepi figure and Poke Ball.

Step 1: Unpack Components

Carefully open the packaging and lay out all the building pieces on a clean, flat surface. Verify that all pieces are present by comparing them with the parts list (if provided in the physical packaging).

Step 2: Assemble the Togepi Figure

Begin by identifying the base pieces for Togepi. Connect the body sections, ensuring a secure fit. Attach the arms and legs as indicated in the visual instructions. Finally, add the head and any smaller decorative elements.

Step 3: Assemble the Poke Ball

The Poke Ball consists of two main halves: a red top and a white bottom, separated by a black band. Connect these halves firmly. The top of the Poke Ball features building studs, allowing the Togepi figure to be securely placed on it for display.

OPERATING INSTRUCTIONS

This building set is designed for manual operation and imaginative play. No batteries or electronic components are required.

- **Display:** Place the assembled Togepi figure on the studs located on top of the Poke Ball for a secure display.
- **Play:** The figure can be removed from the Poke Ball and used for imaginative play. The pieces are designed to be durable for handling.
- **Interchangeability:** Combine with other Mega Construx Pokémon sets to create larger scenes and expand your collection.

MAINTENANCE

Proper care will ensure the longevity of your building set.

- **Cleaning:** To clean the plastic pieces, gently wipe them with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or printed designs.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic. The Poke Ball can be used to store the Togepi figure when not on display.
- **Disassembly:** If you need to disassemble the figure, gently pull the pieces apart. Avoid excessive force to prevent breakage.

TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the following common solutions:

- **Missing Pieces:** Double-check the packaging and the assembly area. If a piece is genuinely missing, please contact customer support (see "Support" section).
- **Pieces Not Fitting:** Ensure you are using the correct pieces for each step as indicated in the visual instructions. Apply gentle, even pressure when connecting pieces. Do not force pieces together.
- **Figure Instability:** Ensure all connections are firm and secure. Re-check the assembly steps for any missed connections.
