3. OPERATING INSTRUCTIONS

The Velociraptor figurine is designed for interactive and imaginative play. Its primary feature is a movable jaw.

3.1 Movable Jaw

- Gently open and close the Velociraptor's jaw to simulate roaring or biting actions.
- Avoid excessive force to prevent damage to the mechanism.

3.2 Imaginative Play

Encourage children to create their own prehistoric adventures. The figurine's realistic details, including menacing claws and feathers, inspire creative storytelling.

4. MAINTENANCE

To ensure the longevity of your Schleich Velociraptor Figurine, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the figurine with a damp cloth to remove dust and dirt. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the figurine in a cool, dry place away from direct sunlight to prevent fading or material degradation.
- **Durability:** The figurine is built to withstand rough play, but gentle handling is always recommended to preserve its intricate details.

5. TROUBLESHOOTING

While the Schleich Velociraptor Figurine is designed for durability, minor issues may occasionally arise.

5.1 Loose Parts

- If any small, movable parts (e.g., jaw components) become loose, gently try to re-seat them into their original position.
- If a part is broken or cannot be re-attached, please refer to the Warranty and Support section.

5.2 Paint Wear

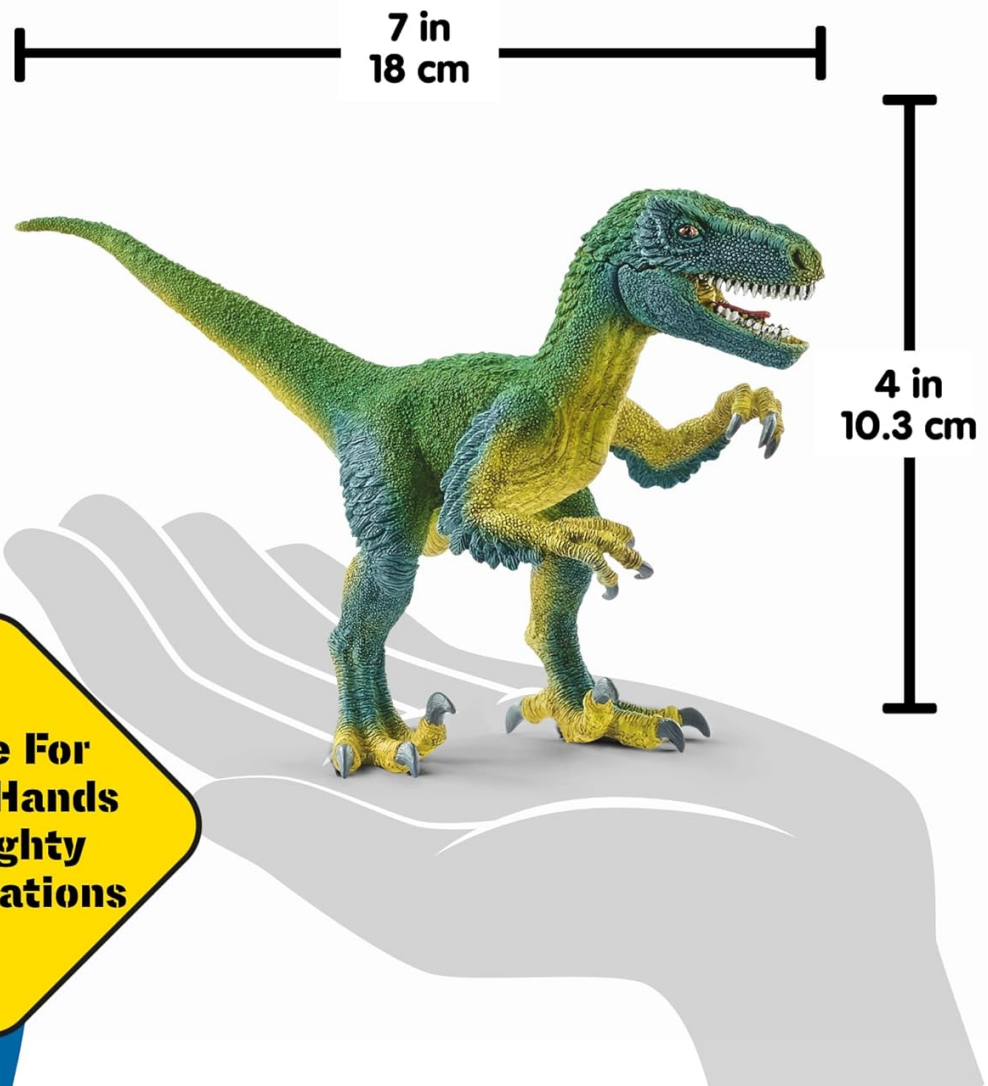

- Over extended periods of play, minor paint wear may occur. This is normal for painted toys and does not affect the functionality or safety of the product.
