Lotus Herbals Radiant Platinum Cellular Anti-Aging 4 Facial Kit

Model: B074M63M8M

INTRODUCTION

This manual provides detailed instructions for the proper use of the Lotus Herbals Radiant Platinum Cellular Anti-Aging 4 Facial Kit. This kit is designed to provide a comprehensive facial treatment, targeting signs of aging and promoting radiant, firm skin. It is suitable for all skin types.

SETUP

Before beginning the facial treatment, ensure your skin is clean and free of makeup. Gather all four components of the facial kit and have a clean towel and lukewarm water readily available.

OPERATING INSTRUCTIONS

Follow these steps for optimal results. Each step uses a specific component from the kit.

1. Step 1: Platinum Exfoliating Cleanser

Apply a small amount of the cleanser to damp skin. Gently massage in circular motions for 2-3 minutes, focusing on areas with impurities. Rinse thoroughly with lukewarm water. This step helps to gently exfoliate the skin, removing dead skin cells and impurities to reveal smoother, brighter-looking skin.

2. Step 2: Platinum Activator

After cleansing, apply the activator gel evenly over your face and neck. Massage gently until it is absorbed into the skin. This activator is designed to improve blood circulation and prepare the skin to better absorb the subsequent products in the kit.

3. Step 3: Platinum Massage Creme

Take an adequate amount of the massage creme and apply it to your face and neck. Massage gently for 10-15 minutes using upward and outward strokes. Wipe off any excess creme with a damp cotton pad. This creme deeply nourishes and hydrates the skin, helping to reduce the appearance of fine lines and wrinkles.

4. Step 4: Platinum Mask

Apply an even layer of the mask over your face and neck, avoiding the eye and lip areas. Leave it on for 15-20 minutes or until it dries. Gently peel off or rinse with lukewarm water. This mask helps to tighten and firm the skin, further reducing the appearance of fine lines and wrinkles and promoting a more youthful appearance.

MAINTENANCE

To maintain skin health and prolong the benefits of the facial kit, it is recommended to follow a consistent daily skincare routine. This includes cleansing, toning, and moisturizing. Protect your skin from sun exposure by using a broad-spectrum sunscreen.

TROUBLESHOOTING

- **Skin Sensitivity:** If you experience redness, itching, or irritation, discontinue use immediately. Perform a patch test on a small area of skin before full application if you have sensitive skin.
- **Incomplete Absorption:** Ensure skin is thoroughly cleansed before applying products. Massage products fully into the skin as directed.
- **Product Consistency:** Store the kit in a cool, dry place away from direct sunlight to maintain product integrity.
