Inter Link Kappl 2 doors / 3 drawers

Inter Link Kappl Wardrobe User Manual

Model: Kappl 2 doors / 3 drawers

1. INTRODUCTION

Thank you for choosing the Inter Link Kappl Wardrobe. This functional and spacious wardrobe is designed to provide ample storage for your clothing and personal items. Featuring 3 doors, a central mirror, 3 drawers, 1 hanging rail, and 5 shelves, it offers versatile organization. Crafted from durable, white-varnished solid pine wood, this wardrobe brings warmth and tranquility to your living space. Please read this manual carefully before assembly and use to ensure proper installation and long-lasting enjoyment of your new furniture.

2. SAFETY INFORMATION

- **Anti-Tip Safety:** For your safety, it is highly recommended to secure the wardrobe to a wall using appropriate anti-tip hardware (not always included, but essential for tall furniture). This prevents accidental tipping, especially in households with children or pets.
- **Assembly Safety:** Always assemble the wardrobe on a soft, clean surface to prevent scratches. Ensure sufficient space for assembly. It is recommended to have two people for assembly due to the size and weight of the components.
- **Weight Distribution:** Distribute weight evenly across shelves and in drawers. Avoid placing excessively heavy items on top or in a single section to maintain stability.
- **Ventilation:** Ensure adequate ventilation in the room where the wardrobe is placed.
- **Material Safety:** All materials used in the manufacture of this furniture comply with European environmental standards.

3. PACKAGE CONTENTS

Your Inter Link Kappl Wardrobe will be shipped in multiple packages. Please ensure you have received all packages and carefully check their contents against the parts list provided in the assembly instructions (usually found within one of the packages). Do not discard any packaging until assembly is complete and you have confirmed all parts are present.

Expected Components:

- Wardrobe panels (sides, top, bottom, back)
- Door panels (3, including one with mirror)
- Drawer components (fronts, sides, backs, bottoms)
- Shelves (5)
- Hanging rail
- Hardware pack (screws, dowels, hinges, drawer slides, handles, etc.)
- Assembly instructions manual

4. SETUP AND ASSEMBLY

Assembly of the Inter Link Kappl Wardrobe requires basic household tools. Please ensure you have the necessary tools before beginning. Refer to the detailed assembly diagram and step-by-step instructions included in your package for precise guidance.

Required Tools:

- Screwdriver (Phillips head and/or flathead, depending on hardware)
- Hammer (for dowels)
- Measuring tape
- Level
- Drill (optional, for wall mounting anti-tip kit)

Assembly Steps (General Overview):

1. **Unpack and Verify:** Carefully unpack all components and verify against the parts list. Lay them out on a clean, soft surface.
2. **Assemble Base:** Begin by assembling the base frame of the wardrobe.
3. **Attach Side Panels:** Secure the side panels to the base.
4. **Install Shelves and Hanging Rail:** Insert the fixed shelves and install the hanging rail according to the diagram. Adjustable shelves can be placed later.
5. **Assemble Drawers:** Construct the three drawers and install their slides onto the wardrobe frame.
6. **Attach Back Panel:** Secure the back panel to the wardrobe frame.
7. **Install Doors:** Attach the three doors using the provided hinges. Adjust hinges for proper alignment.
8. **Install Handles:** Attach handles to doors and drawers.

9. **Final Placement and Securing:** Move the assembled wardrobe to its final desired location. Ensure it is level. Secure the wardrobe to the wall using an anti-tip kit for stability.

5. OPERATING INSTRUCTIONS

The Inter Link Kappl Wardrobe is designed for straightforward use. Here are guidelines for optimal operation:

Doors:

- Gently open and close the doors using the provided handles.

- The central door features a mirror, providing a convenient full-length reflection.
- The doors are designed to be lockable, offering added security for your belongings.

Figure 5.1: Detail of the decorative handles on the wardrobe doors.

Drawers:

- The three lower drawers operate on smooth slides for easy opening and closing.
- Avoid overloading drawers to ensure smooth operation and prevent damage to the slides.

Figure 5.2: View of an open drawer, highlighting the solid wood construction and smooth runners.

Internal Storage:

- The wardrobe includes a dedicated hanging section for longer garments.
- Five shelves provide ample space for folded clothes, accessories, or other items.
- Distribute items evenly to maintain the wardrobe's balance and stability.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Inter Link Kappl Wardrobe, follow these simple care guidelines:

- **Cleaning:** The white-varnished surface is waterproof and easy to maintain. Wipe surfaces regularly with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Sunlight Exposure:** Avoid prolonged direct exposure to strong sunlight, which can cause fading or discoloration over time.
- **Humidity:** Maintain a stable room temperature and humidity level. Extreme fluctuations can cause wood to expand or contract, potentially leading to cracks or warping.
- **Hardware:** Periodically check all screws and fittings to ensure they are tight. Retighten if necessary to maintain structural integrity.

7. TROUBLESHOOTING

If you encounter any issues with your Inter Link Kappl Wardrobe, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Wardrobe feels wobbly or unstable.	Loose fittings; uneven floor; not secured to wall.	Ensure all screws and fittings are tightened. Use a level to check if the floor is even; use shims if necessary. Secure the wardrobe to the wall using the anti-tip kit.
Doors do not close properly or are misaligned.	Hinges are loose or require adjustment.	Adjust the screws on the hinges to align the doors. Refer to the assembly manual for specific hinge adjustment instructions.
Drawers are difficult to open or close.	Overloaded drawer; misaligned drawer slides; debris in slides.	Reduce the weight in the drawer. Check if the drawer slides are properly aligned and secured. Clean any dust or debris from the drawer slides.
Minor scratches or scuffs on the surface.	Normal wear and tear; accidental impact.	For minor scuffs, a furniture polish or touch-up pen matching the white varnish may be used. Consult a professional for significant damage.

If you experience issues not listed here or require further assistance, please contact Inter Link customer support.
