Hape Deluxe White Grand Piano Instruction Manual

Model: E0338 | Brand: Hape

INTRODUCTION

The Hape Deluxe White Grand Piano is a 30-key electronic piano designed to introduce children to the world of music. This instrument features a realistic tone and includes a stool and music rest for a complete playing experience. It is suitable for children aged 3 years and up, encouraging musical exploration and creativity.

SETUP

Assembly

Carefully unpack all components. Attach the three legs to the piano body and assemble the stool. Position the music rest securely on the piano. Ensure all connections are firm before use.

Battery Installation

The piano requires 4 AA batteries (not included). Locate the battery compartment, usually on the underside of the piano. Insert the batteries, ensuring correct polarity (+/-), and securely close the compartment.

OPERATING INSTRUCTIONS

Power On/Off

Locate the on/off button, typically on the piano's control panel or side. Press to turn the piano on or off.

Playing the Keys

The piano features 30 electronic keys. Press the keys to produce musical notes. Experiment with different keys to create melodies.

Using the Musical Scale and Book

The included musical scale and handy music book are designed to help children learn piano notes and scales. Follow the instructions in the book to play simple tunes and understand basic music theory.

Power Saving Mode

The piano is equipped with an eco-friendly power saving mode. If left inactive for more than two minutes, the piano will automatically turn off to conserve battery life.

Safety Information

This product is recommended for ages 36 months and up. Adult supervision is advised during play. The lid's solid support is designed to stop in any position, preventing potential injury. Ensure all parts are securely fastened before allowing children to play.
