ACTIVATION

Activating your SpeedTalk Mobile SIM card is a straightforward process. A valid credit card is required for activation.

1. **Insert SIM Card:** Carefully insert the appropriate size SIM card into your unlocked GSM device.
2. **Visit Activation Portal:** Go to the SpeedTalk Mobile activation website (refer to the instructional flyer for the exact URL).
3. **Follow On-Screen Steps:** Complete the online activation form, which typically involves entering your SIM card number and selecting a service plan.
4. **Confirmation:** Once activated, you will receive a confirmation, and your service will begin.

For assistance with activation, you can contact SpeedTalk Mobile customer support.

SERVICE DETAILS

The SpeedTalk Mobile SIM Card Kit typically includes a 30-day wireless service plan. Please refer to your specific purchase details for the exact plan included.

Standard Plan Features:

- Voice: 2 cents per minute
- SMS Text: 2 cents per text
- Nationwide 5G 4G LTE Data: 2 cents per MB

Example Included Plan:

Some kits may include a plan with 500 SMS Text OR 500 Minutes Call OR 500 MB 5G 4G LTE Data for the initial 30 days.

SpeedTalk Mobile offers subscription plans with no contracts, allowing you to cancel anytime.

TROUBLESHOOTING

If you encounter issues with your SpeedTalk Mobile SIM card, consider the following troubleshooting steps:

- **Check SIM Insertion:** Ensure the SIM card is correctly inserted into your device's SIM slot.
- **Restart Device:** Power off your device completely and then turn it back on.
- **Verify Network Settings:** On your device, check that mobile data is enabled and that the correct Access Point Name (APN) settings are configured for SpeedTalk Mobile. Refer to the SpeedTalk Mobile website for specific APN

settings.

- **Confirm Activation:** Ensure your SIM card has been successfully activated through the SpeedTalk Mobile portal.
- **Check Coverage:** Verify that you are in an area with SpeedTalk Mobile network coverage using the STKMap.
- **Contact Support:** If issues persist, contact SpeedTalk Mobile customer support for further assistance.

Note: Ensure your device is unlocked and compatible with GSM networks.
