Anker A3105

Anker SoundCore 2 Portable Bluetooth Speaker

Model: A3105 | Brand: Anker

INTRODUCTION

The Anker SoundCore 2 is a portable Bluetooth speaker designed for robust audio performance and durability. Featuring enhanced bass, extended playtime, and water-resistant capabilities, it is suitable for various environments, from home use to outdoor adventures. This manual provides essential information for setting up, operating, and maintaining your speaker.

WHAT'S IN THE BOX

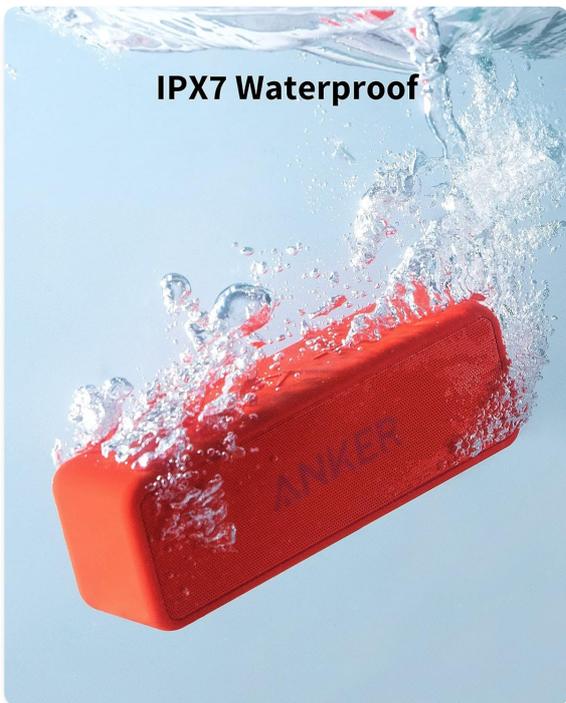

- Anker SoundCore 2 Portable Bluetooth Speaker
- Power Cable
- Quick Start Guide

PRODUCT FEATURES

- **Outdoor-Proof Design:** The speaker features IPX7 waterproof protection, safeguarding it against splashes, rain, and even temporary submersion. This makes it ideal for use by the pool, at the beach, or during camping trips.
- **Extended Playtime:** Equipped with Anker's power management technology and a 5,200mAh Li-ion battery, the SoundCore 2 delivers up to 24 hours of continuous audio playback on a single charge.
- **Powerful and Clear Sound:** With 12W of power and dual neodymium drivers, the speaker provides robust audio. An advanced digital signal processor ensures clear sound and minimal distortion across all volume levels.
- **Intense Bass with BassUp Technology:** Anker's exclusive BassUp technology and a patented spiral bass port enhance low-end frequencies, delivering deeper and more impactful bass.
- **Portable and User-Friendly:** The compact design, simple controls, and effortless portability make the SoundCore 2 easy to carry and operate anywhere. It also supports wireless stereo pairing for an expanded sound experience.

SETUP

- 1. Charging the Speaker:** Before first use, fully charge your SoundCore 2 speaker using the provided USB-C power cable. Connect the cable to the charging port on the speaker and a compatible USB power adapter (not included). The charging indicator light will show the charging status.
- 2. Powering On/Off:** Press and hold the power button () on the top of the speaker for 2 seconds to turn it on or off. A sound prompt will indicate the power status.
- 3. Bluetooth Pairing:**
 - Turn on the SoundCore 2. The Bluetooth indicator light will flash blue, indicating it's in pairing

mode.

- On your mobile device (smartphone, tablet, laptop), enable Bluetooth.
