WOLTU BH54gr Dining Chairs (Set of 6) Instruction Manual

Model: BH54gr | Brand: WOLTU

1. INTRODUCTION

Thank you for choosing WOLTU BH54gr Dining Chairs. This manual provides essential information for the safe assembly, proper use, and maintenance of your new chairs. These chairs feature a durable solid wood structure, a comfortable ergonomic design with linen upholstery, and anti-slip floor protection. Their versatile Scandinavian style makes them suitable for various indoor settings.

2. SAFETY INSTRUCTIONS

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and injury.
- Do not exceed the maximum weight capacity of 120 kg (264 lbs) per chair.
- Ensure all screws and fasteners are securely tightened before use and periodically check them for tightness.
- Do not stand on the chairs.
- Keep children away from the assembly area and small parts.
- Use the chairs on a level and stable surface to prevent tipping.
- This product is intended for indoor use only.

3. PACKAGE CONTENTS

Please check that all components are present before beginning assembly. If any parts are missing or damaged, please contact WOLTU customer service.

- 6 x Chair Seats (Linen Upholstered)
- 6 x Sets of Chair Legs (Solid Wood)
- 1 x Hardware Pack (Screws, Washers, Allen Key)
- 1 x Assembly Instructions Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is simple and requires minimal tools. An Allen key is included in the hardware pack.

1. Carefully unpack all components from the packaging. Place them on a soft, clean surface to prevent scratches.
2. Identify one chair seat and one set of chair legs. The legs are designed to attach to a metal base located underneath the seat.
3. Align the leg assembly with the pre-drilled holes on the metal base under the seat.
4. Insert the provided screws through the holes and tighten them using the Allen key. Do not overtighten initially.
5. Once all legs are attached, gently place the chair upright on a level surface. Apply slight pressure to the seat to ensure the legs settle evenly.
6. Now, fully tighten all screws. Ensure the chair is stable and does not wobble.
7. Repeat these steps for the remaining chairs.

5. USAGE GUIDELINES

The WOLTU BH54gr chairs are designed for versatile use in various indoor environments:

- **Dining Chair:** Ideal for dining rooms and kitchen areas.
- **Leisure Chair:** Suitable for living rooms, game rooms, or as an accent chair.
- **Vanity/Desk Chair:** Can be used in bedrooms as a vanity chair or in study rooms as an office chair.
- **Reception Chair:** Functional for waiting areas or meeting rooms.

Ensure the chair is placed on a flat, stable surface. The anti-slip pads on the legs help protect your flooring and reduce noise during movement.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your WOLTU chairs.

- **Cleaning:** For general cleaning, wipe the chair frame and legs with a soft, damp cloth. For the linen upholstery, use a mild fabric cleaner if necessary, following the cleaner's instructions. Avoid harsh chemicals or abrasive materials.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub, as this can spread the stain.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Stability Check:** Periodically check all screws and connections and tighten them if they have loosened over time.

7. TROUBLESHOOTING

If you encounter any issues with your chairs, please refer to the following common solutions:

- **Chair wobbles:** Ensure the chair is on a level surface. Check all leg connections and tighten any loose screws. Sometimes, loosening all screws slightly, sitting on the chair to settle the legs, and then re-tightening can resolve wobbling.

- **Unusual noise:** Verify that all assembly hardware is fully tightened. The anti-slip pads should prevent most noise from movement; ensure they are properly attached to the bottom of each leg.
- **Difficulty with assembly:** Re-read the assembly instructions carefully. Ensure you are using the correct hardware for each step. If issues persist, contact customer support.
