ASSEMBLY INSTRUCTIONS

The assembly process typically takes 120-220 minutes. Each piece is numbered, and the illustrated instructions guide you step by step. No tools or glue are required for assembly.

Step 1: Preparation and Piece Identification

Carefully unpack all components. Identify the numbered sheets of puzzle pieces. It is recommended to keep pieces attached to their sheets until needed to maintain organization.

Step 2: Base Assembly

Begin by assembling the base of the Colosseum model. Follow the numerical sequence in the instruction booklet to connect the initial pieces that form the foundation.

Step 3: Constructing the Inner Structure

Proceed to build the inner layers of the Colosseum, including the arena floor and seating tiers. Pay close attention to the orientation and numbering of each piece to ensure correct placement.

Video: This video demonstrates the general assembly process for a CubicFun National Geographic 3D Puzzle, showing how pieces are detached and fitted together to form the structure.

Step 4: Building the Outer Walls and Arches

Attach the outer wall sections, carefully aligning the arches and structural elements. The interlocking design ensures a snug and stable fit.

Image: A detailed view of the puzzle's construction, highlighting the precision and realism of the architectural elements.

Step 5: Final Touches and Display

Complete any remaining details and ensure all pieces are securely in place. Your Colosseum model is now ready for display. The accompanying National Geographic booklet can be used to learn more about the history and culture of Rome.

OPERATING INSTRUCTIONS

This CubicFun 3D Puzzle is a static display model. No operational steps are required after assembly. Simply place it on a stable surface for enjoyment.

MAINTENANCE

- To clean, gently dust the model with a soft, dry cloth.
- Avoid exposure to direct sunlight or excessive moisture to prevent material degradation.
- Handle with care to prevent pieces from detaching or bending.

TROUBLESHOOTING

Pieces not fitting correctly:

Ensure you are using the correct numbered piece for the current step. Refer to the illustrated instructions carefully. Some pieces may require gentle pressure to fit snugly.

Missing pieces:

Double-check all puzzle sheets and the packaging. If a piece is genuinely missing, please contact CubicFun customer support.

SPECIFICATIONS
