Zinus OLB-SSBF-7T

Zinus Trisha 7 Inch Metal Platform Bed Frame User Manual (Twin)

Model: OLB-SSBF-7T

INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Zinus Trisha 7 Inch Metal Platform Bed Frame. Please read these instructions carefully before assembly and retain for future reference.

Image: The Zinus Trisha Twin Metal Platform Bed Frame, fully assembled with a white mattress and light blue blanket, positioned in a room with light-colored walls and a patterned rug.

SAFETY INFORMATION

- Ensure proper assembly for stability.
- Be aware of weight capacity limitations: 350 lbs for Twin size.
- Handle wooden slats with care to avoid potential splinters.
- Keep all small parts and packaging materials away from children.
- Do not stand on the bed frame during assembly or use.

PACKAGE CONTENTS

Verify all components are present before beginning assembly. Refer to the included parts list in your packaging for detailed identification.

Image: All parts of the Zinus Trisha Low Profile Metal Bed Frame, including the black metal frame components, wooden slats, and a small box containing assembly tools, are neatly laid out on a light-colored floor.

SETUP AND ASSEMBLY

The Zinus Trisha bed frame is designed for easy assembly, typically taking less than an hour with assistance. All necessary tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the main metal frame sections using the provided bolts and the included ratchet tool. Ensure all connections are secure.
3. **Install Support Legs:** Attach any central support legs as indicated in the detailed instructions.
4. **Place Wooden Slats:** Position the wooden slats across the frame. The slats are designed to fit securely and may feature a non-slip strip to prevent mattress movement.

Image: A detailed view of the wooden slats on the Zinus bed frame, highlighting the non-slip tape designed to keep the mattress securely in place. A hand is shown peeling off the protective backing from the tape.

OPERATING INSTRUCTIONS

Once assembled, your Zinus Trisha Platform Bed Frame provides a stable and supportive base for your mattress. No box spring is needed.

- Place your mattress directly onto the wooden slats. The slats are designed to provide optimal support for various mattress types, including latex, memory foam, and spring mattresses.
- The low 7-inch platform height is ideal for taller mattresses or for those who prefer a lower bed profile.
- The frame is designed to be quiet, with foam padding to prevent noise from movement.

MAINTENANCE

- Regularly check all bolts and connections to ensure they remain tight. Re-tighten as necessary.
- Clean the metal frame with a soft, damp cloth. Avoid abrasive cleaners.
- Inspect wooden slats periodically for any signs of wear or damage. Replace if necessary to maintain mattress support.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose bolts or incorrect assembly.	Check all connections and tighten bolts. Ensure all parts are correctly aligned according to the assembly instructions.

Problem	Possible Cause	Solution
Squeaking noises.	Loose connections or friction between metal parts.	Tighten all bolts. The frame includes foam padding to minimize noise; ensure it is properly in place.
Mattress slides on the frame.	Non-slip tape on slats not activated or worn.	Ensure the non-slip tape on the wooden slats has its protective backing removed. If worn, consider adding a non-slip mat between the mattress and slats.

SPECIFICATIONS

Model Number	OLB-SSBF-7T
Size	Twin
Product Dimensions	74.5"L x 38"W x 7"H
Material	Alloy Steel, Wood Slats
Color	Black
Ground to Item Distance	7 Inches
Weight Capacity (Twin)	350 lbs
Assembly Required	Yes (Tools Included)
