Levoit LV-H132-RF

Levoit LV-H132 Air Purifier Replacement Filter Instruction Manual

Model: LV-H132-RF

1. Introduction

This manual provides essential information for the proper use and maintenance of your Levoit LV-H132 Air Purifier Replacement Filter. Regular filter replacement ensures your air purifier continues to operate effectively, providing clean air in your home or office environment.

2. Compatibility

This replacement filter (Model: LV-H132-RF) is specifically designed for use with the Levoit LV-H132 Air Purifier. It is compatible with both the black and white versions of the LV-H132 air purifier.

3. Filter Features and Benefits

The Levoit LV-H132 replacement filter features a 3-stage filtration system designed to capture various airborne particles and odors:

- **Pre-Filter:** Captures large particles such as dust, lint, fibers, and pet hair, extending the life of the other filters.
- **H13 True HEPA Filter:** Captures at least 99.97% of airborne particles 0.3 microns in size, including pollen, dust mites, mold spores, and pet dander.
- **Activated Carbon Filter:** Absorbs smoke, cooking odors, pet odors, and other household smells.

Image 3: Visual representation of various airborne contaminants the filter helps remove, such as dust, pollen, pet dander, and odors.

4. Installation (Filter Replacement)

To ensure optimal performance, replace the filter every 6 to 12 months, depending on air quality and usage. Follow these steps to replace your filter:

1. Turn off and unplug the air purifier.
2. Invert the air purifier and twist the bottom cover counter-clockwise to unlock and remove it.
3. Remove the old filter from the air purifier.

4. Insert the new replacement filter into the air purifier, ensuring the pull tabs are facing outwards.
5. Align the arrows on the bottom cover with the arrows on the air purifier base, then twist clockwise to lock the cover in place.
6. Plug in the air purifier and reset the filter indicator (refer to your air purifier's main manual for specific reset instructions).

Image 4: Detailed visual instructions for replacing the air purifier filter.

5. Maintenance

The pre-filter component of the replacement filter can be cleaned to extend its effectiveness. Use a vacuum cleaner or a soft brush to gently remove accumulated dust and debris from the pre-filter. **Do not wash the filter with water.**

6. Specifications

Brand	Levoit
Model Number	LV-H132-RF
Material	HEPA, Activated Carbon
Product Dimensions	19 x 19 x 4.2 cm (Length x Width x Thickness)
Product Weight	Approximately 340 grams
Compatible Devices	Levoit LV-H132 (Black, White)
UPC	817915021514

7. Troubleshooting

If your air purifier's performance seems diminished after replacing the filter, ensure the new filter is correctly installed and the bottom cover is securely locked. If issues persist, or for any other concerns, please contact Levoit customer support.

8. Warranty and Support

This product comes with a 2-year manufacturer's warranty. For any inquiries or support, please contact Levoit customer service. Support is available in Japanese and responses are typically provided within 24 hours.
For further assistance, visit the official Levoit website or contact the seller directly.
