# Hot Wheels FNB20 Cobra Attack Playset User Manual

Model: FNB20

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Hot Wheels FNB20 Cobra Attack Playset. Please read this manual thoroughly before use to ensure proper function and safety. The Hot Wheels FNB20 Cobra Attack Playset is a dynamic track set featuring a cobra that traps cars in its jaws. It encourages imaginative play and problem-solving as children launch cars to defeat the cobra and race along its tail. This playset is designed to connect with other Hot Wheels City tracks, expanding play possibilities.

## SAFETY INFORMATION

---

### WARNING:

- Not suitable for children under 4 years. Contains small parts which may present a choking hazard.
- Adult supervision is recommended during assembly and play.
- Keep away from open flames and heat sources.
- Do not modify the product in any way.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly.

## SETUP AND ASSEMBLY

Assembly is required for this playset. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all pieces from the packaging. Refer to the package contents list to ensure all parts are present.
2. **Connect Base Pieces:** Identify the main base sections of the track. Snap them together firmly until you hear a click, ensuring a secure connection.
3. **Attach Cobra Structure:** Secure the green cobra head and body to the designated slots on the blue clock tower structure. Ensure the cobra's jaw mechanism moves freely.
4. **Assemble Launcher Ramp:** Connect the car launcher ramp to the main track base. Make sure it is stable and aligned for optimal car launching.
5. **Integrate Track Sections:** Attach any additional track sections to complete the playset layout as shown in the diagrams. The playset is designed for easy connection with other Hot Wheels City tracks.

## OPERATING INSTRUCTIONS

---

Follow these steps to operate your Hot Wheels Cobra Attack Playset:

1. **Place Car:** Position a Hot Wheels vehicle onto the launcher mechanism at the start of the ramp.
2. **Prepare Cobra:** Ensure the cobra's jaws are open and ready to trap a car.
3. **Launch Car:** Press the launcher button or mechanism firmly to propel the car forward. The goal is to launch the car past the cobra's head or into its jaws.
4. **Defeat the Cobra:** If a car is trapped in the cobra's jaws, launch another car to hit the cobra's head, releasing the trapped vehicle and sending both cars speeding down the track.
5. **Connect and Expand:** This playset can be connected to other Hot Wheels City tracks (sold separately) to create a larger, more complex play environment. Look for connection points on the track pieces.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your Hot Wheels Cobra Attack Playset, follow these maintenance guidelines:

- **Cleaning:** Wipe down the playset with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the playset in a clean, dry place away from direct sunlight and extreme temperatures. Disassemble if necessary for compact storage.
- **Inspection:** Periodically check all connections and moving parts for wear or damage. Ensure the launcher mechanism and cobra jaw operate smoothly.
- **Car Compatibility:** Use only official Hot Wheels vehicles with the playset to ensure proper function and prevent damage.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
