T POWER TZ-CO3AE

T POWER Charger for AHPUCEP Cordless Tools (Model TZ-CO3AE)

Instruction Manual

1. Product Overview

This manual provides essential information for the safe and efficient use of your T POWER charger, model TZ-CO3AE. This charger is designed to provide reliable power for compatible AHPUCEP cordless tools, including weed wackers, grass trimmers, string trimmers, and mini chainsaws.

The charger features an input voltage range of AC 100V - 240V and delivers a stable 21V DC output. It incorporates advanced safety features to protect your devices during charging.

2. Safety Information

Please read all safety instructions carefully before using the charger. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- **Compatibility:** Ensure the charger is compatible with your specific AHPUCEP cordless tool model (e.g., TZ-CO3AE). Refer to your tool's manual for charger specifications.
- **Indoor Use Only:** This charger is designed for indoor use. Do not expose it to rain, moisture, or extreme temperatures.
- **Proper Ventilation:** Do not cover the charger during use. Ensure adequate ventilation to prevent overheating.
- **Damage Inspection:** Before each use, inspect the charger and its cable for any signs of damage. Do not use a damaged charger.
- **Unplug When Not in Use:** Disconnect the charger from the power outlet when not in use or during cleaning.
- **Children and Pets:** Keep the charger out of reach of children and pets.
- **Certifications:** This product meets CE and RoHS safety standards.

3. Setup

1. **Unpack the Charger:** Carefully remove the T POWER charger from its packaging.
2. **Connect to Power:** Plug the AC power cord of the charger into a standard wall outlet (AC 100V - 240V).
3. **Connect to Device:** Insert the barrel connector of the charger into the charging port of your compatible AHPUCEP cordless tool's battery or the tool itself, if it has an integrated charging port. Ensure a secure connection.

Image 3: The charger's barrel connector properly inserted into a compatible battery pack for charging.

4. Operating Instructions

Once the charger is connected to both the power outlet and your device, the charging process will begin automatically. The charger features an LED indicator to display the charging status:

- **Charging:** Green light flashing
- **Fully Charged:** Green light solid
- **Defective:** Red light flashes fast
- **Temperature Anomaly:** Red light flashes fast & slow

When the green light is solid, the device is fully charged. Disconnect the charger from the device and then from the power outlet.

5. Maintenance

- Keep the charger clean and dry. Use a soft, dry cloth to wipe any dust or debris.
- Do not use liquid cleaners or solvents.
- Store the charger in a cool, dry place when not in use.
- Avoid bending or kinking the power cord excessively.

6. Troubleshooting

Problem	LED Indicator	Possible Cause / Solution
Device not charging	No light	Ensure charger is securely plugged into a working power outlet. Check if the barrel connector is fully inserted into the device/battery. Verify device compatibility with the charger. Inspect charger and cable for damage.
Charging stops unexpectedly	Red light flashes fast	Indicates a defective state. Disconnect immediately. Contact customer support if the issue persists.
Charging stops unexpectedly	Red light flashes fast & slow	Indicates a temperature anomaly. Ensure the charger and device are in a well-ventilated area. Allow the charger and device to cool down before attempting to charge again.

If you encounter issues not listed here or if troubleshooting steps do not resolve the problem, please contact T POWER technical support.

7. Specifications

Feature	Detail
Brand	T POWER
Model Numbers	TZ-CO3AE, TP-ag6-FL3
Input Voltage Range	AC 100V - 240V
Output Voltage	21V DC
Output Current	2 Amps
Connector Type	Barrel Connector
Item Weight	4 Ounces
Item Dimensions	4 x 4 x 2 inches
Certifications	CE, RoHS

8. Warranty and Support

- **Manufacturer Warranty:** This T POWER charger comes with a 1-year manufacturer warranty covering defects in materials and workmanship.
- **Return Policy:** You may return your undamaged product and packaging within 30 days of purchase for a full refund for any reason.
- **Technical Support:** For technical assistance, compatibility questions, or if you received a wrong item, please contact T POWER customer support. We are available to help you find the ideal power adapter solution.
