# ZINUS Deepak Easy Assembly Wood Slat 1.6 Inch Bunkie Board User Manual

Model: OLB-QLBKW-K

## Introduction

The ZINUS Deepak Easy Assembly Wood Slat Bunkie Board provides a slim, strong, and sturdy foundation for your spring, memory foam, or hybrid mattress. Designed for easy setup, this board ensures long-lasting support and durability for your mattress. Its compact packaging allows for convenient transport and setup in various spaces.

## Safety Information

Please read and understand all instructions before assembly and use. Keep these instructions for future reference.

- Keep all small parts and packaging materials away from children.
- Ensure all connections are secure before placing a mattress on the bunkie board.
- Do not stand or jump on the bunkie board.
- Use the bunkie board only for its intended purpose as a mattress foundation.

## Parts List

Before you begin assembly, verify that all parts are present. The ZINUS Deepak Bunkie Board is designed for easy assembly and comes in compact packaging.

Image: The ZINUS Deepak Bunkie Board components are compactly packaged for easy transport and setup.

| Part | Description | Quantity |
|---|---|---|
| A | Frame Side Rails | 2 |
| B | Frame End Rails | 2 |
| C | Center Support Bar | 1 |
| D | Wooden Slats (with Velcro) | 1 set |
| E | Assembly Hardware (Bolts, Allen Wrench) | 1 set |

## Setup & Assembly

Follow these steps for quick and easy assembly of your ZINUS Deepak Bunkie Board. An assembly video is also provided for visual guidance.

### Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

2. **Assemble Frame:** Connect the two Frame Side Rails (A) and two Frame End Rails (B) using the provided hardware (E). Ensure the corners align properly.
3. **Attach Center Support:** Secure the Center Support Bar (C) to the assembled frame using the remaining hardware. This bar provides additional stability.
4. **Place Wooden Slats:** Lay the set of Wooden Slats (D) onto the assembled frame. The slats feature Velcro strips that will adhere to the frame, keeping them securely in place.

## Operating Instructions

The ZINUS Deepak Bunkie Board is designed to provide robust foundational support for various mattress types.

### Mattress Placement:

- Once the bunkie board is fully assembled and placed on your bed frame, carefully position your mattress directly on top of the wooden slats.
- The anti-slip tape on the slats helps keep your mattress securely in place, preventing shifting.
- This bunkie board is compatible with spring, hybrid, and memory foam mattresses, providing universal support.

## Maintenance

To ensure the longevity and performance of your ZINUS Deepak Bunkie Board, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the metal frame and wooden slats with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Ventilation:** Ensure adequate air circulation around and under your mattress to prevent moisture buildup.

## Troubleshooting

If you encounter any issues with your ZINUS Deepak Bunkie Board, refer to the following common problems and solutions:

| Problem | Possible Cause | Solution |
| --- | --- | --- |
| Squeaking/Noise | Loose connections or friction between parts. | Ensure all bolts are tightened. The foam padded tape on the steel frame is designed to minimize noise. |

| Problem | Possible Cause | Solution |
|---|---|---|
| Mattress shifting | Anti-slip tape not fully engaged or worn. | Ensure the mattress is centered. The anti-slip tape on the slats should prevent movement. If tape is worn, consider adding non-slip matting. |
| Bunkie board does not fit bed frame | Incorrect size purchased or incompatible bed frame. | Verify the dimensions of your bed frame against the bunkie board's specifications. This King size bunkie board measures 79" x 75.5"x 1.60". It is compatible with Zinus Compack bed frames. |

## Specifications

| Attribute | Detail |
|---|---|
| Model Number | OLB-QLBKW-K |
| Size | King |
| Product Dimensions | 79"L x 75.5"W x 1.6"Th |
