T POWER TP- Owl Labs MTW100 MTW200 MTW300

T POWER 12V AC/DC Adapter Instruction Manual

For Owl Labs Meeting Owl Pro MTW100, MTW200, MTW300 Video Conference Cameras

This manual provides essential information for the safe and effective use of your T POWER 12V AC/DC Adapter. Please read it thoroughly before use.

1. Product Overview

The T POWER 12V AC/DC Adapter is designed to provide reliable power to compatible Owl Labs Meeting Owl video conference cameras. It converts standard AC wall power to the required 12V DC power for your device.

Image 1.1: The T POWER 12V AC/DC Adapter, showing the main unit and attached power cord.

2. Safety Information

Please observe the following safety precautions to prevent injury or damage to the product and connected devices:

- **Voltage Compatibility:** Ensure the input voltage range (AC 100V - 240V) is suitable for your region's electrical outlets.

- **Device Compatibility: Important:** Verify that your Owl Labs Meeting Owl model or part number matches the compatibility list provided in this manual before connecting the adapter. Using an incompatible adapter may damage your device.
- **Indoor Use Only:** This adapter is designed for indoor use. Do not expose it to rain, moisture, or extreme temperatures.
- **Ventilation:** Ensure adequate ventilation around the adapter. Do not cover it or place it in an enclosed space during operation.
- **Cable Care:** Avoid bending, twisting, or pinching the power cord. Do not place heavy objects on the cord.
- **Disconnection:** Always grasp the plug, not the cord, when disconnecting from the power outlet or device.
- **Certifications:** This product is CE and RoHS certified, indicating compliance with European safety, health, and environmental protection standards.

Image 2.1: The adapter features multiple safety protections including over-current, over-temperature, over-voltage, and short circuit protection.

3. Package Contents

Your package should contain the following items:

- 1 x T POWER 12V AC/DC Adapter
- 1 x AC Power Cord (integrated or detachable, depending on model)

4. Setup Instructions

1. **Connect to Owl Labs Device:** Insert the barrel connector of the T POWER adapter into the power input port of your Owl Labs Meeting Owl camera. Ensure a firm connection.
2. **Connect to Power Outlet:** Plug the AC power cord into a standard wall outlet (AC 100V - 240V).
3. **Power On:** Your Owl Labs device should now receive power. Refer to your Owl Labs device's manual for specific power-on procedures.

Image 4.1: Examples of Owl Labs Meeting Owl cameras that are compatible with this adapter.

5. Operating Instructions

The T POWER AC/DC Adapter operates automatically once connected to a power source and a compatible device. It provides a stable 12V DC output to power your Owl Labs Meeting Owl camera.

- No user interaction is required for the adapter's operation beyond proper connection.
- The adapter is designed for continuous operation within its specified limits.

6. Compatibility

This T POWER adapter is compatible with the following Owl Labs Meeting Owl models:

- Owl Labs Meeting Owl 1
- Owl Labs Meeting Owl 2
- Owl Labs Meeting Owl 3 (MTW300-1000, MTW300)
- Owl Labs Meeting Owl Pro (MTW100, MTW200-1000, MTW200)
- Part Numbers: ADS-40SI-12-2, 12036E, ADS40SI122

Always cross-reference your device's model number or part number with this list to ensure compatibility.

7. Maintenance

To ensure the longevity and optimal performance of your T POWER adapter:

- **Cleaning:** Disconnect the adapter from power before cleaning. Use a dry, soft cloth to wipe the surface. Do not use liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place when not in use. Avoid extreme temperatures.
- **Cable Management:** Avoid sharp bends or kinks in the power cord. The cable is designed for durability, tested to withstand up to 10,000 bends, but proper care extends its lifespan.

Image 7.1: The power cord is constructed with durable materials for a longer lifespan and resistance to bending.

8. Troubleshooting

Problem	Possible Cause	Solution
Device not powering on.	◦ Adapter not properly connected. ◦ Wall outlet not functioning. ◦ Incompatible device. ◦ Faulty adapter.	◦ Ensure all connections are secure. ◦ Test the wall outlet with another device. ◦ Verify device compatibility (refer to Section 6). ◦ Contact customer support if the adapter is suspected to be faulty.
Intermittent power to device.	◦ Loose connection at the barrel connector or wall plug. ◦ Damaged power cord or adapter.	◦ Check and secure all connections. ◦ Inspect the cable for visible damage. If damaged, discontinue use and replace. ◦ Contact customer support.

9. Specifications

Feature	Detail

Feature	Detail
Brand	T POWER
Model Number	TP- Owl Labs MTW100 MTW200 MTW300
Input Voltage Range	AC 100V - 240V
Output Voltage	12 Volts (DC)
Amperage	5 Amps
Connector Type	Barrel Connector
Material	Metal, Plastic
Item Weight	4 Ounces
Item Dimensions	4 x 4 x 2 inches
Certifications	CE, RoHS

10. Warranty and Support

- **Manufacturer Warranty:** This T POWER product comes with a 1-year manufacturer warranty from the date of purchase, covering defects in materials and workmanship.
- **Return Policy:** A 30-day return policy is available for undamaged products in their original packaging.
- **Technical Support:** For technical assistance, warranty claims, or inquiries regarding compatibility, please contact T POWER customer support. Refer to the product packaging or the seller's website for specific contact details.
