

Epson ET-4750

Epson WorkForce ET-4750 EcoTank All-in-One Printer User Manual

1. INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your Epson WorkForce ET-4750 EcoTank Wireless Color All-in-One Supertank Printer. This device integrates printing, scanning, copying, and faxing functionalities, designed for efficiency and ease of use.

The ET-4750 features a cartridge-free ink system with large, refillable ink tanks, offering a cost-effective printing solution. It also includes a 2.4-inch color touchscreen for intuitive navigation and supports various connectivity options.

2. SETUP GUIDE

2.1 Unpacking and Initial Inspection

Carefully remove the printer from its packaging. Ensure all components listed in the 'What's in the Box' section are present. Remove all protective tapes and packing materials from the printer's exterior and interior.

2.2 Filling the Ink Tanks

The Epson WorkForce ET-4750 utilizes an EcoTank system, eliminating the need for traditional ink cartridges. Follow these steps to fill the ink tanks:

1. Open the ink tank unit cover on the right side of the printer.
2. Open the cap for each color tank (Black, Cyan, Magenta, Yellow).
3. Uncap the corresponding ink bottle (Epson 502 series). The bottles are designed with unique keys to prevent incorrect filling.
4. Insert the ink bottle into the filling port. The ink will automatically start flowing into the tank and stop when full.
5. Once the tank is full, remove the bottle and securely close the tank cap and the ink tank unit cover.
6. Repeat for all colors.

Image: Refilling the ink tanks on the Epson ET-4750. The unique key system ensures each color bottle fits only its designated tank, preventing accidental mixing.

Your browser does not support the video tag.

Video: Demonstrates the process of filling the ink tanks and highlights the printer's multi-function capabilities including scanning and copying.

2.3 Loading Paper

The printer features a high-capacity 250-sheet paper tray. To load paper:

1. Pull out the paper cassette from the front of the printer.
2. Adjust the paper guides to match the size of your paper.
3. Load up to 250 sheets of plain paper, print-side down.
4. Gently push the paper cassette back into the printer until it clicks into place.

Image: The Epson ET-4750 printer with its paper tray extended and paper loaded, showcasing its readiness for printing tasks.

Your browser does not support the video tag.

Video: Illustrates loading paper into the 250-sheet capacity tray and using the 30-sheet auto document feeder for scanning.

2.4 Connecting Your Printer

The ET-4750 offers multiple connectivity options:

- **Wireless (Wi-Fi):** Use the 2.4-inch color touchscreen to navigate to the Wi-Fi setup wizard and connect to your wireless network.
- **Ethernet:** Connect an Ethernet cable from your router to the printer's Ethernet port.
- **USB:** Connect a USB cable (not included) from your computer to the printer's USB port.

Image: Wireless printing from a smartphone to the Epson ET-4750, demonstrating its mobile connectivity features.

3. OPERATING THE PRINTER

3.1 Using the Control Panel

The printer features a 2.4-inch color touchscreen for easy navigation and control of all functions. Use the touch-and-swipe interface to select options for printing, scanning, copying, and faxing, as well as to access settings and troubleshooting information.

3.2 Printing Documents

To print, ensure the printer is connected to your device and paper is loaded. Select the print option from your computer or mobile device. The ET-4750 supports automatic two-sided (duplex) printing to save paper.

3.3 Scanning Documents

The printer offers two methods for scanning:

- **Automatic Document Feeder (ADF):** For scanning multiple pages, place your documents face-up in the ADF tray. The ADF can hold up to 30 sheets.
- **Flatbed Scanner:** For single pages, books, or irregular items, lift the scanner lid and place the item on the glass.

Select the 'Scan' option on the control panel or from your computer's scanning software to initiate the scan.

Image: The Automatic Document Feeder (ADF) in action on the Epson ET-4750, ready to process multiple pages for scanning or copying.

3.4 Copying Documents

To make copies, place your original document on the flatbed scanner or in the ADF. Use the control panel to select 'Copy', adjust settings such as number of copies, color/black & white, and then press the start button.

3.5 Faxing Documents

The ET-4750 includes fax functionality. Connect a phone line to the printer's fax port. Use the control panel to enter the recipient's fax number and send your document.

4. MAINTENANCE

4.1 Monitoring Ink Levels

The transparent ink tanks on the front of the printer allow for easy visual monitoring of ink levels. Refill tanks promptly when levels are low to ensure continuous operation and prevent air from entering the ink system.

Image: The transparent ink tanks on the side of the Epson ET-4750, allowing users to easily monitor ink levels for each color.

4.2 Print Head Cleaning and Alignment

If print quality declines (e.g., missing lines, streaking), perform a print head cleaning or alignment using the printer's control panel or the printer software on your computer. Refer to the on-screen instructions for detailed steps.

4.3 Replacing the Maintenance Box

The printer has a user-replaceable maintenance box that collects waste ink. When the printer indicates that the maintenance box is full, replace it according to the instructions provided on the printer's screen or in the full user guide.

5. TROUBLESHOOTING

For common issues, consult the printer's 2.4-inch color touchscreen, which often provides guided troubleshooting steps. Below are general tips for frequent problems:

- **Paper Jams:** Follow the on-screen instructions to clear paper jams. Always turn off the printer before attempting to remove jammed paper.
- **Print Quality Issues:** Perform a nozzle check, print head cleaning, or print head alignment. Ensure you are using genuine Epson ink.
- **Connectivity Problems:** Verify Wi-Fi or Ethernet cable connections. Restart your router and printer. Ensure printer drivers are up to date.

6. SPECIFICATIONS

Feature	Specification
Product Dimensions (D x W x H)	16.4" x 19.8" x 10"

Item Weight	15 pounds
Maximum Media Size	8.5 x 14 inch
Max Input Sheet Capacity	250 sheets
Max Print Speed (Monochrome)	11 ppm
Max Print Speed (Color)	5.5 ppm
Maximum Color Print Resolution	2400 dpi
Maximum Black and White Print Resolution	1200 dpi
Dual-sided Printing	Automatic
Scanner Type	Sheetfed
Connectivity Technology	Hi-Speed USB 2.0, Wi-Fi (802.11n only), Wi-Fi Direct, Ethernet
Ink Color	Cyan, Magenta, Yellow, Black (Epson 502 series)
Control Method	Voice (Amazon Alexa, Vera), Touchscreen

7. WARRANTY AND SUPPORT

The Epson WorkForce ET-4750 EcoTank printer comes with a 12-month standard limited warranty or 50,000 plain paper sheets (whichever comes first). An additional 12 months of warranty (total of 24 months or 50,000 sheets) may be available upon product registration and exclusive use of genuine Epson ink bottles.

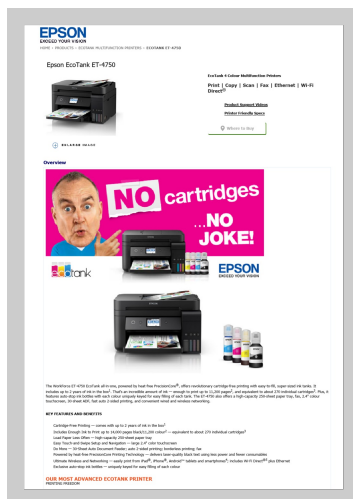

For detailed warranty information, technical support, driver downloads, and additional resources, please visit the official Epson support website. Using non-Epson inks or inks not formulated for your specific printer may cause damage not covered by the Epson warranty.

EcoTank ET-4750

Esta EcoTank de nueva generación es una rigida impresora 4 en 1 con bandeja de papel de 250 hojas. Permite reducir los costes de impresión en un 90% de media.

Reduce los costes de impresión con la EcoTank en cartuchos de Epson. Esta impresora de tinta 4 en 1, impresora de tinta de Epson, reduce los costes de impresión en un 90% de media. Ofrece un coste extraordinariamente bajo por página, ya que puede imprimir 1.500 páginas en negro y 1.200 en color. Reservas, imágenes y gráficos de alta calidad con hasta 5.700 ppp. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp.

Coste extraordinariamente bajo
EcoTank permite reducir los costes de impresión en un 90% de media, gracias a su sistema de tinta 4 en 1. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp.

Impresión de miles de páginas
Imprime más de 1.500 páginas en negro y 1.200 en color.

Descubre la nueva generación de EcoTank
Alarga la vida útil de la tinta y reduce el tamaño de la tinta, por lo que EcoTank es una impresora de tinta 4 en 1. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp.

Funciones de calidad profesional
Produce fotos nitidas y claras gracias al sistema de impresión PrecisionCore, así como a los modos de impresión de alta resolución de Epson. Ofrecidos por un sistema de tinta 4 en 1. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp. Imprime en blanco y negro o a color con una resolución de impresión de hasta 5.700 ppp.

Impresión en cualquier lugar
Con Wi-Fi Direct, imprime documentos para imprimir desde dispositivos inteligentes mediante la aplicación Epson iPrint. La impresora puede incluso recibir archivos desde cualquier lugar de Internet a través de correo electrónico o imprimirlos con Epson Smart Panel.

EcoTank ET-4750

This next generation EcoTank is a fast 4-in-1 with a 250-sheet paper tray. It can reduce printing costs by 90% on average1.

Ultra-low cost
EcoTank can slash printing costs by 90% on average1 thanks to its innovative design. It features an ultra-high-capacity ink tank that completely removes the need for cartridges, plus it comes with three years' worth of ink included in the box. This model comes with an additional set of ink bottles.

Print thousands of pages
Get more prints between fills. Thanks to the ink included in the box, it can print 14,000 pages in black and 11,200 in color2.

Discover the next generation of EcoTank
With the ink tank now housed at the front, EcoTank is more compact and easier to use than ever before. Providing you against noise and odors, it features an enhanced ink filling system engineered for more free refills. The new bottles also incorporate a mechanism to ensure that only the correct colors are inserted.

Business quality features
Production color and clear tank thanks to the PrecisionCore combined and Epson's genuine dye and pigment inks. Designed for business, it offers fax, a 250-sheet tray, double-sided printing, fast print speeds of 30ppm1 and a 30-page automatic document feeder (ADF). It's also backed by a three-year warranty upon registration.

Print from almost anywhere
With Wi-Fi and Wi-Fi Direct, send documents to print from smart devices using the Epson iPrint® app. It can even receive files from almost anywhere in the world via Epson iPrint®.

Ultra-low cost
EcoTank can slash printing costs by 90% on average1 thanks to its innovative design. It features an ultra-high-capacity ink tank that completely removes the need for cartridges. This model comes with an additional set of ink bottles.
