1. SETUP AND ASSEMBLY

The Lakeshore Super-Fun Marble Run set includes 116 plastic pieces designed for easy assembly. Follow these steps to set up your marble run:

- 1. Unpack Components:** Carefully remove all 116 pieces from the packaging. Verify that all components are present by comparing them to the parts list in the included step-by-step guide.
- 2. Review Instructions:** Consult the provided step-by-step building guide for various track configurations and assembly instructions. This guide illustrates how different pieces connect to form stable structures.
- 3. Connect Pieces:** Begin by connecting base pieces and vertical columns. Ensure each piece is firmly fitted into the next to create a stable and secure structure. The pieces are designed to interlock easily.
- 4. Build Your Design:** Use the guide for initial builds or experiment with your own creative designs. Ensure all track sections are properly aligned to allow marbles to flow freely without obstruction.

Includes a step-by-step building guide!

Image: The included instruction booklet provides clear, step-by-step diagrams for assembling various marble run configurations.

2. OPERATING THE MARBLE RUN

Once your marble run is assembled, operating it is simple:

1. **Place Marbles:** Gently place a marble into the designated starting point at the top of your assembled track.
2. **Observe Flow:** Watch as the marble travels through the various drops, turns, and dips of the track.
3. **Experiment:** Try different track layouts and observe how they affect the marble's speed and path. This encourages problem-solving and spatial awareness.

Safety Warning:

- This product contains small marbles which can pose a choking hazard. Not suitable for children under 3 years of age.
- Adult supervision is recommended during play.

3. MAINTENANCE

To ensure the longevity and cleanliness of your Lakeshore Super-Fun Marble Run:

- **Cleaning:** Wipe down the plastic pieces with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic.
- **Storage:** When not in use, disassemble the marble run and store all pieces in the original box or a suitable container to prevent loss and damage. Store in a cool, dry place away from direct sunlight.

4. TROUBLESHOOTING

If you encounter issues with your marble run, consider the following:

- **Marbles Getting Stuck:**
 - Check all connections to ensure pieces are fully inserted and aligned.
 - Inspect track sections for any debris or foreign objects that might be obstructing the marble's path.
 - Ensure the track is built on a flat, level surface to prevent uneven flow.
- **Structure Instability:**
 - Verify that all vertical columns and base pieces are securely connected.
 - Re-examine the assembly according to the instruction guide to ensure proper support structures are in place.

- Avoid building excessively tall or wide structures without adequate base support.

5. SPECIFICATIONS

Brand	Lakeshore
Model Number	PP239
Set Name	Super-Fun Marble Run
Number of Pieces	116
Material Type	Plastic
Item Weight	3.97 Pounds
Item Dimensions (L x W x H)	14.17 x 3.94 x 17.72 inches
Age Range Description	Kid (Ages 4+)
Educational Objective	Creative Skill, Problem Solving, Spatial Awareness
