INTRODUCTION

Thank you for choosing the Better Homes & Gardens 8-Cube Organizer. This versatile storage unit is designed to help you organize your living spaces efficiently and stylishly. Please read this manual carefully before assembly and use to ensure proper setup and long-lasting enjoyment of your product.

IMPORTANT SAFETY INFORMATION

- **Wall Attachment:** For safety and stability, especially in homes with children, it is highly recommended to attach the organizer to a wall using appropriate hardware (not always included, check packaging).
- **Weight Limits:** Do not exceed the maximum weight capacity. Each individual cube can hold up to 30 lbs (13.6 kg). The overall unit can support up to 100 lbs (45.3 kg) when oriented vertically, and 150 lbs (68 kg) when oriented horizontally. Overloading can cause the unit to tip or collapse, leading to injury or damage.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened securely before use. Periodically check and re-tighten fasteners as needed.
- **Placement:** Place the organizer on a flat, level surface to prevent wobbling and ensure stability.
