CAR PASS zt-0120-2

CAR PASS Universal Fit Piping Leather Front Seat Covers Instruction Manual (Model zt-0120-2)

1. PRODUCT OVERVIEW

The CAR PASS Universal Fit Piping Leather Front Seat Covers are designed to protect and enhance the interior of your vehicle. Crafted from high-quality faux leather with a 5mm super soft composite sponge, these covers offer durability, comfort, and a stylish appearance. They are engineered to be airbag compatible and feature reserved opening holes for headrest covers and seatbelts, ensuring safety and ease of use.

What's Included:

- 2 Front Seat Covers
- 2 Separate Headrest Covers

2. SETUP AND INSTALLATION

Follow these steps for proper installation of your CAR PASS seat covers. Ensure your vehicle has detachable headrests for optimal fit.

Front Seat Installation:

1. Remove the headrest from the front seat.
2. Slide the main seat cover over the backrest of the seat, ensuring the "AIRBAG" tag is on the door side.
3. Pull the seat cover down over the seat cushion.
4. Locate the straps and discs attached to the seat cover. Push the discs through the crease between the seat back and seat cushion to secure the cover.
5. Connect any remaining straps underneath the seat for a snug fit.

6. Place the separate headrest cover over the headrest and reinsert the headrest into the seat.

3. OPERATING AND FEATURES

These seat covers are designed for universal fit in most cars, SUVs, vans, and trucks. Key features include:

- **Airbag Compatibility:** Special stitching ensures airbags can deploy safely in case of an emergency.
- **Waterproof Faux Leather:** Protects original seats from spills, dirt, and wear.
- **Breathable Design:** Perforated sections allow for air circulation, enhancing comfort.
- **Wrinkle-Resistant:** Designed to maintain a smooth appearance over time.
- **Comfort:** Features a 5mm super soft composite sponge for enhanced driving comfort.

4. MAINTENANCE

The CAR PASS seat covers are 100% washable. For best results and to prolong the life of your covers, spot cleaning with a damp cloth and mild soap is recommended for minor spills and dirt. For deeper cleaning, follow standard faux leather cleaning procedures.

5. TROUBLESHOOTING

- **Wrinkles from Packaging:** Minor wrinkles may be present upon unpacking. These will naturally smooth out with use and exposure to vehicle interior temperatures over time.
- **Loose Fit:** Ensure all straps and discs are properly secured and tightened underneath the seat and through the seat crease. Adjust as necessary for a snug fit.
- **Headrest Cover Fit:** Ensure the headrest cover is fully pulled down and secured with its internal Velcro or elastic.
