LEGO 45498

LEGO Education 45498 Medium Storage Box Instruction Manual

INTRODUCTION

This manual provides essential information for the proper setup, usage, and maintenance of your LEGO Education 45498 Medium Storage Boxes. Please read these instructions carefully before using the product to ensure optimal performance and longevity.

PRODUCT OVERVIEW

The LEGO Education 45498 Medium Storage Box is designed for organizing and storing various items, particularly LEGO bricks and educational components. Each unit includes a transparent lid, allowing for easy identification of contents. These boxes are stackable, both with and without their lids, providing flexible storage solutions. They are similar in size to storage boxes used for LEGO MINDSTORMS Education EV3 and Simple & Powered Machines sets.

This product is supplied in packs of 8 individual storage boxes.

SETUP

1. **Unpacking:** Carefully remove all 8 storage boxes and their lids from the packaging. Inspect each component for any signs of damage.
2. **Lid Placement:** Place the transparent lid securely onto the top of each storage box. Ensure the lid is properly aligned and seated to protect the contents.
3. **Initial Cleaning (Optional):** Before first use, you may wipe the boxes with a damp cloth to remove any dust from manufacturing or packaging.

USAGE

- **Storage:** Open the lid and place your desired items, such as LEGO bricks, small parts, or craft supplies, inside the box. Close the lid securely to protect the contents from dust and spills.
- **Stacking:** For efficient space utilization, multiple LEGO Education 45498 storage boxes can be stacked on top of each other. They are designed to stack securely both with and without their lids. Ensure the bottom box is on a stable, flat surface before stacking.
- **Identification:** The transparent lid allows for quick visual identification of the box's contents without needing to open it.

MAINTENANCE

To keep your LEGO Education 45498 Medium Storage Boxes in good condition:

- **Cleaning:** Wipe the boxes and lids with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Rinse thoroughly and dry completely before use or storage. Avoid abrasive cleaners or harsh chemicals, as these may damage the plastic.
- **Storage:** Store the boxes in a cool, dry place away from direct sunlight to prevent material degradation over time.

TROUBLESHOOTING

The LEGO Education 45498 Medium Storage Box is a simple, durable product. Should you encounter any issues:

- **Lid not closing properly:** Ensure no items are obstructing the rim of the box or the lid. Check for any debris that might be preventing a secure closure.
- **Stacking instability:** Ensure boxes are placed on a flat, level surface. Do not overload individual boxes, as this can affect stability when stacked.
- **Damage:** If a box or lid is cracked or broken, discontinue use to prevent injury or further damage to contents.

For further assistance, please contact LEGO customer support.
