PACKAGE CONTENTS

Your PrettyCare Essential Oil Roller Bottles package includes:

- 12 x 10ml Rainbow Glass Roller Bottles with Golden Caps
- 2 x Funnels for easy filling
- 24 x Labels for organization
- 2 x Spare Stainless Steel Roller Balls
- 1 x Roller Bottle Opener Tool

Image: All components included in the PrettyCare roller bottle set: twelve rainbow-colored bottles, two funnels, a sheet of labels, and a purple opener tool.

SETUP AND FILLING INSTRUCTIONS

Follow these steps to prepare your roller bottles for use:

1. **Disassemble the Bottle:** Carefully remove the metal cap by unscrewing it. Then, use the provided opener tool to gently pry off the roller ball insert.

Stainless Steel Roller Balls

The tightness prevents any sort of leakage.
With our complimentary opener, the bottle
can easily be disassembled and filled.

The rollers are made of
Stainless steel, which
is corrosion resistant
and well-made.

2. **Clean the Bottle:** Before first use, hand wash the glass bottle, metal cap, and roller ball insert with warm, soapy water. Rinse thoroughly and allow all parts to air dry completely.
3. **Fill the Bottle:** Place one of the provided funnels into the opening of the glass bottle. Carefully pour your desired essential oil blend or perfume into the bottle. Avoid overfilling; leave a small space at the top for the roller ball insert.

Complimentary Gifts

Two Funnels are provided to fill essential oil easily.
You also get 24 stickers to mark and classify
different essential oils.

Image: A clear plastic funnel is placed into the neck of a blue roller bottle, illustrating the process of filling the bottle with liquid.

4. **Reassemble the Bottle:** Once filled, firmly press the roller ball insert back into the bottle opening until it clicks securely into place. Ensure it is seated properly to prevent leaks. Screw the metal cap back on tightly.

Video: A demonstration of how to easily remove and reinsert the roller ball into an amber glass bottle, highlighting the secure fit and ease of use.

5. **Label Your Bottle:** Use the provided labels to clearly mark the contents of each bottle for easy identification.

OPERATING INSTRUCTIONS

To use your PrettyCare Essential Oil Roller Bottle:

1. Unscrew the metal cap.
2. Gently roll the stainless steel ball directly onto your skin (e.g., wrists, temples, neck, or desired area).
3. Apply light pressure to dispense the liquid. The stainless steel roller ball ensures smooth and even application.
4. After use, screw the metal cap back on tightly to prevent leakage and preserve the contents.

Portability

- ✓ Mix your own oil blends
- ✓ 10ml per bottle
- ✓ Easy to carry
- ✓ Smooth stainless steel rollers
- ✓ Pack of 12 roller bottles

MAINTENANCE AND CARE

Proper maintenance will extend the life of your roller bottles:

- **Cleaning:** Hand wash only. Disassemble the bottle (cap, roller ball insert, glass bottle) and wash with warm, soapy water. Rinse thoroughly and allow to air dry completely before refilling or reassembling.
- **Storage:** Store filled bottles upright in a cool, dark place away from direct sunlight to preserve the integrity of your essential oils. The thick, corrosion-resistant glass and dark rainbow colors help protect contents from harmful UV rays.
- **Handling:** While the glass is thick and shockproof, handle with care to prevent breakage.

TROUBLESHOOTING

- **Roller Ball Not Dispensing:** If the roller ball seems stuck or is not dispensing liquid smoothly, gently remove the

roller ball insert using the opener tool. Clean the roller ball and its housing. Reinsert the roller ball firmly. Sometimes, rubbing the roller ball down hard on your finger or wrist a few times can help it start working properly.

LEAKPROOF DESIGN

Tight roller ball is to prevent the leaking issue.
It allow you get oil out and your skin slight wet.

Want More Oil ?

We suggest take the roller ball off and then replace it back..rub down hard on your finger or wrist and most the times it starts working fine.

Image: Two close-up images illustrate troubleshooting steps for a roller ball: one shows applying pressure to the ball, and the other shows removing the ball for inspection.

- **Leakage:** Ensure the roller ball insert is pressed firmly and securely into the bottle opening. The metal cap should also be screwed on tightly. The dual metal caps and stainless steel roller balls are designed to prevent leakage when properly assembled.
