mDesign Metal Wall Mounted Paper Towel Holder

Model: 8769MDK | Omni Collection | Polished Stainless Steel Chrome

1. INTRODUCTION

Thank you for choosing the mDesign Metal Wall Mounted Paper Towel Holder. This manual provides essential information for the proper installation, operation, and maintenance of your new paper towel dispenser. Please read these instructions carefully before installation and retain them for future reference.

This product is designed to store and dispense standard and jumbo paper towel rolls, offering a space-saving solution for your kitchen, pantry, or utility areas.

4. SAFETY INFORMATION

- Always use appropriate tools for installation.
- Ensure the mounting surface is suitable and can support the weight of the holder and a full paper towel roll.
- Keep small parts (screws, anchors) away from children to prevent choking hazards.
- Avoid over-tightening screws during installation to prevent damage to the product or mounting surface.

5. SETUP AND INSTALLATION

This paper towel holder can be mounted vertically or horizontally on a wall or under a cabinet. Installation requires basic tools (not included): a pencil, a drill, and a screwdriver.

Installation Steps:

1. **Choose Location:** Select a suitable location for mounting. Consider accessibility and clearance for paper towel rolls. The holder can be mounted on a wall, under a cabinet, or inside a cabinet door.
2. **Mark Drill Points:** Hold the paper towel holder in the desired position. Use a pencil to mark the locations for the two mounting screws through the pre-drilled holes on the holder's backplate.
3. **Drill Pilot Holes:** Using a drill, create pilot holes at the marked locations. The size of the drill bit should be appropriate for the included wall anchors (if drilling into drywall) or slightly smaller than the screw diameter (if drilling into wood).
4. **Insert Wall Anchors (if needed):** If mounting into drywall, gently tap the plastic wall anchors into the pilot holes until they are flush with the surface.

5. **Mount the Holder:** Align the paper towel holder with the drilled holes (or anchors). Insert the provided screws through the holder's mounting holes and into the pilot holes/anchors.
6. **Secure the Holder:** Use a screwdriver to tighten the screws until the holder is firmly secured to the surface. Do not overtighten.

6. OPERATING INSTRUCTIONS

Inserting a Paper Towel Roll:

1. Ensure the holder is securely mounted.
2. Slide a standard or jumbo paper towel roll onto the holder's bar. The open end of the holder allows for easy loading.

Dispensing Paper Towels:

- Pull the desired amount of paper towel from the roll.
- Tear the paper towel against the edge of the holder or by hand.
