Proper care will extend the life and appearance of your Serta Essential Armless Task Chair.

Cleaning Instructions:

- **General Cleaning:** For routine cleaning, wipe surfaces with a soft, damp cloth.

- **Mesh Back:** The breathable mesh back is designed for minimal maintenance. Dust regularly with a soft brush or vacuum with a brush attachment.

General Care:

- Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary.
- Avoid exposing the chair to direct sunlight for prolonged periods, which can cause fading or material degradation.
- Do not stand on the chair or use it for purposes other than its intended use as an office task chair.
