Keter XXL 230 Gallon Deck Box

Keter XXL 230 Gallon Plastic Deck Storage Container Box

Model: XXL 230 Gallon Deck Box | Brand: Keter

INTRODUCTION

The Keter XXL 230 Gallon Storage Box is designed to provide a spacious and weather-resistant solution for your outdoor storage needs. Ideal for gardens, patios, and pool areas, this extra-large deck box helps keep your outdoor living space organized and clutter-free. Its durable resin construction offers all-weather protection and UV resistance, ensuring longevity and minimal maintenance. The elegant wood-look texture seamlessly blends with outdoor furniture, adding a touch of classic style.

Key features include a piston-opening system for easy lid operation, a lockable design for enhanced security, and built-in handles for convenient repositioning.

SETUP & ASSEMBLY

Assembly of the Keter XXL 230 Gallon Deck Box is designed to be straightforward and typically takes approximately 20 minutes. The components feature a click-and-snap construction, minimizing the need for numerous screws or complex hardware.

Important Note: Due to the large assembled dimensions of 57.8" L x 32.7" W x 33.8" H, it is highly recommended to assemble the storage box in its intended outdoor location or in a space with wide entryways, such as a garage, to avoid difficulty moving it through standard doorways after assembly.

OPERATING INSTRUCTIONS

The Keter XXL 230 Gallon Deck Box is designed for convenient and secure storage of various outdoor items. Its large capacity is ideal for storing patio cushions, pool equipment, gardening tools, and children's toys.

- **Lid Operation:** The lid is equipped with a piston-opening mechanism, allowing for smooth and easy opening and closing. This system prevents the lid from slamming shut, enhancing safety and convenience.
- **Lockable Design:** For added security, the lid features a built-in latch that allows for the attachment of a padlock (not included). This helps keep your stored items secure, especially overnight or during periods of absence.
- **Portability:** Built-in handles on the sides of the box facilitate easy transportation and repositioning, even when the box is empty.

MAINTENANCE

The Keter XXL 230 Gallon Deck Box is constructed from durable, weather- and UV-resistant resin, making it largely maintenance-free. Its robust design ensures it withstands various weather conditions, including rain and snow, keeping contents dry and protected.

To maintain its appearance, simply wipe down the exterior with a damp cloth as needed to remove dust or dirt accumulation. Avoid using harsh abrasive cleaners, which could damage the resin finish.

TROUBLESHOOTING

While the Keter XXL 230 Gallon Deck Box is built for durability, occasional issues may arise. Here are some common concerns and recommended actions:

- **Lid Hinge Malfunction:** In rare cases, the lid's piston mechanism or hinges may experience wear or breakage over time. If this occurs, contact Keter customer support for assistance with replacement parts.
- **Lid Opening During Storms:** To prevent the lid from opening unexpectedly during high winds or severe weather, ensure a padlock is securely fastened through the designated latch on the front of the box.
- **Missing or Damaged Parts:** If any parts are missing or damaged upon delivery or during assembly, contact Keter customer service immediately for prompt resolution and replacement.
- **Water Inside the Box:** While designed to be waterproof, ensure the lid is properly closed and sealed. Check for any obstructions around the edges that might prevent a tight seal.

SPECIFICATIONS

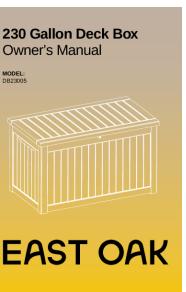

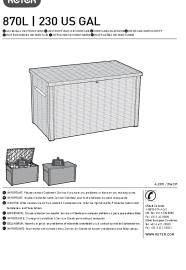

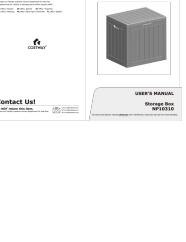

Feature	Detail
Brand	Keter
Model	XXL 230 Gallon Deck Box
Assembled Dimensions	57.8" L x 32.7" W x 33.8" H
Storage Capacity	230 Gallons (870 Liters)
