## 1. Safety Information

Please read all safety information before handling this product. Failure to follow these instructions may result in injury or damage to the product.

- **Age Recommendation:** This product is intended for individuals aged 15 years and older. It is not suitable for children under this age due to small parts which may pose a choking hazard.
- **Small Parts:** The product contains small components. Keep out of reach of young children and pets.
- **Handling:** Handle the figure and its accessories with care. Excessive force may cause breakage.
- **Sharp Edges:** Some parts may have sharp edges. Exercise caution during assembly and posing.
- **Storage:** Store the product away from direct sunlight, high temperatures, and high humidity to prevent material degradation.

## 2. Package Contents

Verify that all components listed below are present in your package before beginning assembly.

- 1 x XXXG-00W0 Wing Gundam Zero (EW ver.) Figure
- 1 x Twin Buster Rifle
- 6 x Messer Zwerger
- 2 x Beam Saber
- 1 x Shield
- 1 x Set of Joint Parts
- 1 x Display Stage
- 1 x Instruction Manual (Japanese, included in original packaging)

### 3. Setup & Assembly

The GFF METAL COMPOSITE Wing Gundam Zero (EW ver.) is a pre-assembled action figure, but some accessories require attachment. Follow these steps for initial setup.

1. **Unboxing:** Carefully remove all components from the packaging. Inspect the figure and accessories for any visible damage.
2. **Attaching the Twin Buster Rifle:** The Twin Buster Rifle can be held by the figure's hands. Gently insert the rifle's handle into the figure's open hand. Ensure a secure fit without forcing. The rifle can also be mounted on the figure's back or wings in various configurations.
3. **Attaching Messer Zwerg:** The six Messer Zwerg units can be attached to designated hardpoints on the figure's wings or forearms. Refer to the original Japanese instructions for specific attachment points.
4. **Beam Sabers:** The Beam Sabers can be stored in the figure's hip armor or held in its hands.
5. **Shield:** The shield can be attached to the figure's forearm via a peg connection.
6. **Display Stage:** Assemble the included display stage according to its separate instructions (if provided). Attach the figure to the stage using the appropriate joint parts for stable display.

## 4. Operation & Posing

The GFF METAL COMPOSITE Wing Gundam Zero (EW ver.) features extensive articulation for dynamic posing. Follow these guidelines for safe and effective operation.

- **Joint Articulation:** The figure features numerous movable joints in the neck, shoulders, elbows, wrists, waist, hips, knees, and ankles. Gently manipulate these joints to achieve desired poses. Avoid excessive force, especially when moving joints for the first time.
- **Wing Transformation:** The figure's wings are highly articulated and can be adjusted for various poses, including the iconic "Zero System" deployment and "Bird Mode" transformation. Carefully extend and fold the wing segments.
- **Weapon Posing:** The Twin Buster Rifle can be posed in various ways, including being held in one hand, two hands, or split into two separate rifles. The Messer Zwerg units can also be deployed or stored.
- **Stability:** When posing, ensure the figure maintains balance. Utilize the included display stage for more complex or aerial poses to prevent accidental falls.

## 5. Maintenance

Proper maintenance ensures the longevity and appearance of your figure.

- **Cleaning:** Dust the figure regularly with a soft, dry brush or a microfiber cloth. For stubborn dirt, lightly dampen a cloth with water and gently wipe the affected area. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the figure in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause discoloration or material degradation.
- **Joint Care:** If joints become stiff, gently work them back and forth. If they become loose, some collectors use a thin layer of clear nail polish or a specialized joint-tightening fluid, applied sparingly to the joint peg, allowing it to dry completely before reassembly. Exercise caution if attempting this.

## 6. Troubleshooting

This section addresses common issues you might encounter with your figure.

Issue	Possible Cause	Solution
-------	----------------	----------

Issue	Possible Cause	Solution
Parts are difficult to attach.	Tight tolerances; new product.	Apply gentle, even pressure. Do not force. If very tight, carefully warm the receiving port slightly with a hairdryer on low setting (briefly) to expand the plastic, then attach.
Joints feel loose.	Normal wear; manufacturing variance.	Refer to "Joint Care" in the Maintenance section. For minor looseness, posing on the display stand can mitigate the issue.
Figure falls over easily.	Unbalanced pose; unstable surface.	Adjust the figure's center of gravity. Ensure all feet are flat on the surface. Utilize the included display stage for enhanced stability.
Paint rub or chipping.	Friction between moving parts; rough handling.	This is a common occurrence with highly articulated figures. Handle with care, especially during transformation or extreme posing. Minor touch-ups can be done with model paints, but this is at the user's discretion and risk.

## 7. Specifications

Feature	Detail
<b>Model Name</b>	XXXG-00W0 Wing Gundam Zero (EW ver.)
<b>Series</b>	GFF METAL COMPOSITE (New Mobile Report Gundam Wing: Frozen Teardrop)
<b>Brand</b>	BANDAI
<b>Materials</b>	ABS, PVC, Die-cast
<b>Height</b>	Approximately 6.7 inches (17 cm)
<b>Item Dimensions (L x W x H)</b>	15.43"L x 4.25"W x 11.34"H (Package dimensions, figure dimensions may vary)
<b>Item Weight</b>	1280 Grams
<b>Age Range</b>	15 years old and up
<b>Batteries Required</b>	No

## 8. Warranty & Support

Specific warranty details for this product are not provided in the general product information. As this is a premium collectible item, warranty coverage may vary depending on the region of purchase and the retailer.

- **Warranty Claims:** For any warranty-related inquiries, please contact the original retailer or the official BANDAI customer support in your region. Keep your proof of purchase.

- **Customer Support:** For further assistance, product inquiries, or to report manufacturing defects, please visit the official BANDAI website or contact their customer service department.
- **Online Resources:** Additional information and community support can often be found on dedicated collector forums and fan sites for GFF METAL COMPOSITE figures.

*Note: This product is a parallel import from Japan. Support and warranty terms may differ from products purchased directly from local distributors.*
