ZINUS Jennifer 55 Inch Desk User Manual

Model: OLB-DT-5524W

INTRODUCTION

Thank you for choosing the ZINUS Jennifer 55 Inch Desk. This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your new desk. Please read these instructions carefully before assembly and retain for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Ensure the desk is placed on a flat, stable surface.
- Do not overload the desk. It is designed to hold up to **100 lbs (45 kg)** of evenly distributed weight. Exceeding this limit may cause the desk to collapse or become unstable.
- If necessary, secure the desk to a wall to prevent tipping, especially in households with children or pets.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use only the provided tools and hardware for assembly. Do not substitute parts.

INCLUDED COMPONENTS

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

Image: All components of the ZINUS Jennifer Desk laid out, including the tabletop, two U-shaped leg frames, and connecting bars, alongside the product packaging box.

Package Contents:

- Top Panel (1)
- Leg Frames (2)
- Connecting Bars (various, as per assembly instructions)
- Hardware Pack (screws, bolts, Allen wrench/ratchet)
- Assembly Instructions

SETUP AND ASSEMBLY

The ZINUS Jennifer Desk is designed for easy assembly, typically taking less than 30 minutes with the included tools. It is recommended for one person to assemble.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Assemble Leg Frames:** Attach the connecting bars to the two U-shaped leg frames using the provided hardware. Ensure all connections are secure but do not overtighten yet.
3. **Attach Tabletop:** Carefully place the tabletop upside down on your soft surface. Align the assembled leg frames with the pre-drilled holes on the underside of the tabletop.
4. **Secure Tabletop:** Fasten the leg frames to the tabletop using the remaining hardware. Once all screws are in place, tighten all connections firmly.
5. **Apply Anti-slip Padding:** Attach the anti-slip pads to the bottom of the desk legs to protect your floor and prevent sliding.
6. **Final Placement:** Carefully flip the assembled desk upright and move it to its desired location.

OPERATING INSTRUCTIONS

The ZINUS Jennifer Desk is designed for versatile use in various settings, including home offices, bedrooms, and dining areas.

- **Placement:** Position the desk in a location that suits your needs, ensuring adequate space for movement and

access.

- **Weight Distribution:** Always distribute weight evenly across the desk surface. Avoid concentrating heavy items in one small area.
- **Recommended Use:** Ideal for computer workstations, writing, studying, or as a compact dining table.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your ZINUS Jennifer Desk.

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Spills:** The tabletop features a water-resistant finish. Promptly wipe up any spills to prevent damage.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or polishes that may damage the finish.

- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the tabletop.

Water-resistant finish

Sturdy & durable design

TROUBLESHOOTING

If you encounter any issues with your ZINUS Jennifer Desk, refer to the common problems and solutions below.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Loose connections; uneven floor; uneven weight distribution.	Ensure all screws are tightened. Adjust anti-slip pads if applicable. Relocate desk to a level surface or redistribute weight.
Difficulty during assembly.	Incorrect part orientation; missing hardware.	Review assembly instructions carefully. Verify all parts are correctly oriented. Contact customer support if hardware is missing.
Surface scratches or marks.	Sharp objects; abrasive cleaning.	Use coasters or protective mats for items. Clean with soft cloths and mild cleaners only.
