ZINUS OLB-NPDBS-39

ZINUS Eden Metal Daybed with Trundle User Manual

Model: OLB-NPDBS-39
Brand: ZINUS

1. Introduction

The ZINUS Eden Metal Daybed with Trundle is designed to provide versatile sleeping and seating solutions for various living spaces. Its robust steel frame offers reliable support, and the integrated trundle bed allows for efficient use of space, accommodating two twin mattresses. This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your daybed.

2. Safety Information

- Read all instructions carefully before assembly and use.
- Keep all parts and packaging materials away from children.
- Ensure all connections are securely fastened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 350 pounds for each twin bed.
- Use only twin-sized mattresses (not included) with this daybed and trundle.
- Avoid standing or jumping on the bed frame.

3. Setup and Assembly

The ZINUS Eden Metal Daybed with Trundle is designed for easy assembly. All necessary parts, tools, and instructions are efficiently packed into one box. Two people are recommended for assembly, which typically takes less than an hour.

3.1. Unpacking and Part Identification

Carefully unpack all components and verify against the parts list provided in the included installation manual. Ensure no parts are missing or damaged before proceeding.

3.2. Assembly Steps

Follow the step-by-step instructions and diagrams in the dedicatedInstallation Manual (PDF) for detailed assembly guidance. The manual provides clear visuals and numbered parts to simplify the process.

4. Operating Instructions

The ZINUS Eden Daybed offers dual functionality as both a comfortable seating area and an additional sleeping space.

4.1. Daybed Configuration

When the trundle is tucked away, the unit functions as a standard daybed, ideal for seating or a single twin bed. Ensure the trundle is fully pushed in and secured if it has locking wheels.

4.2. Trundle Bed Deployment

To utilize the trundle bed, gently pull the trundle frame out from underneath the main daybed. The trundle is equipped with wheels for smooth movement. Once extended, it provides a second twin-sized sleeping surface.

Figure 6: Trundle Wheel Detail

To retract the trundle, simply push it back underneath the daybed until it is fully nested.

5. Maintenance

To maintain the appearance and longevity of your ZINUS Eden Metal Daybed with Trundle, follow these simple care instructions:

- **Cleaning:** Wipe the metal frame with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners, as these may damage the painted finish.
- **Inspections:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten any loose fasteners to maintain stability and safety.
- **Mattress Care:** Follow the care instructions provided by your mattress manufacturer.

6. Troubleshooting

If you encounter any issues with your daybed, consider the following common solutions:

- **Squeaking Noises:** Squeaking can often be resolved by re-tightening all assembly bolts. Ensure the bed is on a level surface.
- **Trundle Not Rolling Smoothly:** Check the trundle wheels for any obstructions or debris. Ensure the wheels are properly aligned and free to rotate.
- **Instability:** Verify that all frame components are correctly assembled and all fasteners are securely tightened.

For persistent issues or if you require further assistance, please contact ZINUS Customer Support.
