## INITIAL SETUP AND WEAR

The Kenneth Cole New York Aviator Jacket is designed for immediate wear. No assembly is required. Ensure the jacket fits comfortably according to the size guide. The faux sherpa collar is attached via buttons or a zipper and can be removed to change the jacket's style.

## Attaching/Removing the Faux Sherpa Collar

- To remove:** Locate the small buttons or zipper securing the faux sherpa collar to the main jacket collar. Unfasten all buttons or unzip the collar carefully.
- To attach:** Align the faux sherpa collar with the jacket's collar. Secure it by fastening the buttons or zipping it into place, ensuring it is evenly positioned.

## OPERATING FEATURES

---

### Using Zipper Pockets

The jacket features zipper body pockets and a side sleeve zipper pocket. To open, pull the zipper tab downwards. To close, pull the zipper tab upwards. Ensure the zipper is fully closed to secure contents.

## CARE AND MAINTENANCE

## Washing Instructions

This jacket is made from 100% Polyester. For best results and to maintain the jacket's quality, follow these care instructions:

- **Machine Wash:** Use a gentle cycle with cold water.
- **Detergent:** Use a mild detergent.
- **Drying:** Tumble dry on low heat or hang dry. Avoid high heat to prevent damage to the fabric and lining.
- **Bleaching:** Do not bleach.
- **Ironing:** Do not iron.
- **Dry Cleaning:** Do not dry clean.

## Storage

Store the jacket in a cool, dry place away from direct sunlight to prevent fading and material degradation. Ensure the jacket is clean and dry before storing for extended periods.

## TROUBLESHOOTING

---

### Zipper Issues

If a zipper becomes stiff, apply a small amount of zipper lubricant or a graphite pencil lead to the teeth. If the zipper snags, gently pull the fabric away from the zipper teeth and try to move the slider. Avoid forcing the zipper, as this can cause damage.

### Collar Attachment Issues

If the removable collar does not attach smoothly, ensure all buttons are aligned with their respective buttonholes or the zipper is correctly engaged at the start. Do not force attachments.
