ZINUS Joseph 18-Inch King Metal Platform Bed Frame

INSTRUCTION MANUAL

Product Overview

The ZINUS Joseph 18-Inch King Metal Platform Bed Frame is a sturdy and minimalist foundation designed to support your mattress without the need for a traditional box spring. Its robust steel structure and wood slat support system provide reliable stability and comfort. This model features an 18-inch height, offering significant underbed clearance for storage.

Setup and Assembly

Your ZINUS Joseph bed frame is designed for straightforward assembly. All necessary parts, tools, and instructions are included in one efficiently packed box. Assembly typically takes less than an hour with assistance.

Before You Begin:

- Verify all components are present by comparing them with the parts list in the included instruction manual.
- Clear an adequate space for assembly.
- It is recommended to have a second person assist with assembly.

Assembly Steps:

Refer to the detailed step-by-step instructions provided in the official [Installation Manual \(PDF\)](#) for visual guides and specific fastening procedures.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Assemble the main frame sections according to the manual, ensuring all bolts are finger-tightened initially.
3. Once the frame is fully constructed, securely tighten all bolts using the provided tool.
4. Place the wooden slats onto the frame. The slats are designed to fit securely and may feature Velcro for stability.
5. Ensure all connections are firm and stable before placing your mattress on the frame.

Operating Instructions

The ZINUS Joseph platform bed frame is designed for simple and effective use.

- **Mattress Support:** This frame features reliable wood slats that eliminate the need for a box spring. It is compatible with latex, memory foam, or spring mattresses. The slats are spaced approximately 3 to 3.4 inches apart to provide optimal support and extend mattress life.
- **Underbed Storage:** The 18-inch height of the frame provides a generous 15.4 inches of clearance underneath, ideal for storing boxes, luggage, or other items.
- **Weight Capacity:** The King size frame supports a maximum weight capacity of 700 lbs (including mattress and occupants).

Maintenance

Proper maintenance ensures the longevity and performance of your bed frame.

- **Cleaning:** Wipe the metal frame with a dry cloth as needed to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Periodic Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten any loose fasteners to maintain stability and prevent squeaking.
- **Slat Care:** Ensure wooden slats are properly seated and not damaged. Replace any broken slats promptly to maintain mattress support.

Troubleshooting

If you encounter issues with your bed frame, consider the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose connections. Re-tighten all bolts on the frame. Ensure the wooden slats are properly positioned and not rubbing against the metal frame.
- **Instability/Wobbling:** Check that the frame is assembled correctly and all bolts are fully tightened. Ensure the bed is placed on a level surface.
- **Mattress Sliding:** Some ZINUS frames include non-slip tape or rubber strips to prevent mattress

movement. Ensure these are properly applied. If not included or worn, non-slip pads can be purchased separately.

- **Damaged Parts:** If any part is damaged or missing upon arrival, do not proceed with assembly. Contact Zinus customer support for replacement parts.

Specifications

Feature	Detail
Brand	Zinus
Model Number	OLB-MBBF-18K
Size	King
Product Dimensions	79.5"L x 75.5"W x 18"H
Ground To Item Distance	15.4 Inches
Item Weight	22 pounds
Color	Black
Finish Type	Steel
Furniture Finish	Metal
Fabric Type	Strong and Durable Steel
Included Components	Foundation, Wooden Slats
Compatible With Mattress Size	King
Assembly Required	Yes
Product Care Instructions	Wipe with Dry Cloth
UPC	841550211641
