PKPOWER AC Adapter User Manual for Sentry HO700, H0700, HW701, HW702 Wireless Headphones

1. Introduction

This manual provides essential instructions for the safe and effective use of your PKPOWER AC Adapter. This adapter is specifically designed to provide power and charge Sentry HO700, H0700, HW701, and HW702 Wireless Headphones. Please read this manual thoroughly before use and retain it for future reference.

Important Note: This adapter is **ONLY** for Sentry Wireless Headphones requiring 4.5V-5V input. It is **NOT** compatible with devices requiring 12V or other voltage specifications.

2. Product Overview

Figure 2.1: PKPOWER AC Adapter. This image displays the compact black AC adapter with its integrated power cord, coiled for storage. The adapter features a standard two-prong US plug.

The PKPOWER AC Adapter is a reliable power supply unit designed for specific Sentry wireless headphone models. It features a durable 6.6-foot (2-meter) cord, providing ample reach for convenient charging and operation.

Figure 2.2: PKPOWER AC Adapter with label. This image provides a closer view of the adapter's label, showing the PKPOWER logo, model information, input (100-240V~50/60Hz), and output specifications, along with safety certifications.

3. Setup and Connection

1. **Verify Compatibility:** Before connecting, ensure your Sentry wireless headphones are one of the compatible models (HO700, H0700, HW701, HW702) and require a 4.5V-5V power input.
2. **Connect to Headphones:** Insert the small connector end of the adapter cord firmly into the power input port on your Sentry wireless headphones.
3. **Connect to Power Outlet:** Plug the two-prong end of the AC adapter into a standard AC 100-240V wall outlet. Ensure the outlet is easily accessible.
4. **Power On:** Once connected, your headphones should begin charging or receive power. Refer to your headphone's manual for specific charging indicators.

Figure 3.1: Side view of the PKPOWER AC Adapter. This image shows the adapter from a side angle, highlighting its compact design and the connection point for the integrated power cord.

4. Operating Instructions

Once properly connected, the PKPOWER AC Adapter will supply continuous power to your Sentry wireless headphones or charge their internal battery. No further user interaction is typically required for the adapter itself.

- Ensure the adapter is securely plugged into both the wall outlet and the headphones.
- If your headphones have a charging indicator light, observe it to confirm charging status.
- Disconnect the adapter from the wall outlet when not in use for extended periods.

5. Maintenance and Care

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the adapter. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly coiling the cord to prevent damage.
- **Handling:** Do not drop, disassemble, or attempt to repair the adapter. Avoid exposing it to water or high humidity.
- **Cord Integrity:** Regularly inspect the power cord for any signs of damage, such as fraying or cuts. Discontinue use if damage is observed.

6. Troubleshooting

- **No Power/Charging:**
  - Ensure the adapter is fully plugged into both the wall outlet and the headphones.
  - Test the wall outlet with another device to confirm it is functional.
  - Verify that your headphones are indeed compatible with this 4.5V-5V adapter.
  - Check the adapter cord for any visible damage.
- **Adapter Feels Warm:** It is normal for the adapter to feel slightly warm during operation. If it becomes excessively hot, disconnect it immediately and contact support.
- **Intermittent Connection:** Ensure all connections are secure and free from debris.

If you continue to experience issues, please refer to the Warranty and Support section for further assistance.

7. Specifications

Brand	PKPOWER
Model Number	PKPOWER-w2017-09111085
Input Voltage	AC 100-240V, 50/60Hz
Output Voltage	4.5V-5V (for compatible Sentry Wireless Headphones)
Cord Length	6.6FT (2 meters)
Compatible Devices	Sentry HO700, H0700, HW701, HW702 Wireless Headphones
Protection Features	OVP (Over Voltage Protection), OCP (Over Current Protection), SCP (Short Circuit Protection)
UPC	784019156292

8. Warranty and Support
