Product Overview

The BAOFENG BF-888S is a robust two-way radio designed for reliable communication. Key features include:

- 16 preset channels for immediate use.
- 1500mAh rechargeable lithium-ion battery for extended use.
- High-quality built-in speakers and microphones with noise reduction.
- Communication range up to 5km in obstacle-free environments.
- Durable PC material construction with anti-bending antenna.
- Integrated LED flashlight for low-light conditions.

Setup

1. Battery Installation

1. Align the battery pack with the back of the radio.
2. Slide the battery pack upwards until it clicks into place.

Figure 3: Battery compartment and installation method.

2. Antenna Attachment

1. Screw the antenna clockwise into the connector on top of the radio until it is firmly seated.

3. Charging the Battery

The radio uses a 1500mAh rechargeable lithium-ion battery. It takes approximately 4-5 hours to fully charge, providing 8-12 hours of sustainable use depending on usage.

1. Connect the charging stand to a power outlet using the provided AC adapter.
2. Place the radio (with battery installed) into the charging stand.
3. The LED indicator on the charging stand will typically show red while charging and turn green when fully charged.
4. Alternatively, the battery can be charged directly via a USB-C cable connected to the battery pack (if applicable to your specific battery model).

Operating Instructions

1. Power On/Off and Volume Control

1. To power on the radio, rotate the Power Switch/Volume Control knob clockwise. The radio will announce the current channel.
2. To adjust the volume, continue rotating the same knob.
3. To power off, rotate the knob counter-clockwise until it clicks.

2. Channel Selection

1. Rotate the Channel Switch knob to select one of the 16 preset channels. The radio will announce the selected channel number.
2. Ensure all radios intended for communication are set to the same channel.

3. Transmitting (Push-to-Talk - PTT)

1. To transmit your voice, press and hold the PTT button located on the side of the radio.
2. Speak clearly into the built-in microphone.
3. Release the PTT button to stop transmitting and listen for a response.

4. Monitor (MONI) Function

1. Press and hold the MONI button to temporarily disable the squelch function and listen for weak signals on the current channel.

5. LED Flashlight

1. Press the Flashlight Button to turn the LED flashlight on or off.

6. Using the Earpiece

Each radio comes with a single-ear headset for private communication.

1. Plug the earpiece into the SP/MIC jacks on the side of the radio.
2. Once plugged in, all audio will be routed through the earpiece. You can use the earpiece's built-in microphone and PTT button for communication.

Specifications

Brand	BAOFENG
Model Number	BF-888S
FCC ID	2AJGM-BF888S
Number of Channels	16
Frequency Range	UHF
Talking Range Maximum	5 Kilometers (obstacle-free)
Battery Type	Lithium Ion (1500mAh)
Voltage	3.7 Volts
Item Weight	3.74 pounds (for 5-pack)
Product Dimensions	2.19 x 1.22 x 8.39 inches
Water Resistance Level	Water Repellent
Special Features	Automatic Squelch, Battery Saver Mode, Emergency Alarm, Integrated Flashlight, Lightweight

Maintenance

- **Battery Care:** To prolong battery life, avoid overcharging and completely draining the battery. Store batteries in a cool, dry place when not in use.
- **Cleaning:** Use a soft, damp cloth to clean the radio's exterior. Do not use harsh chemicals or abrasive

cleaners.

- **Storage:** When storing the radio for extended periods, remove the battery and store it separately.

Troubleshooting

Problem	Possible Cause	Solution
No power	Low battery or incorrect installation.	Charge the battery or re-install it correctly.
Cannot transmit or receive	Incorrect channel, out of range, or antenna issue.	Verify both radios are on the same channel. Move closer to the other radio. Check antenna connection.
Poor audio quality	Weak signal, interference, or earpiece issue.	Move to an area with less obstruction. Check earpiece connection. Use MONI button to listen for weak signals.
Low battery alert	Battery is running low.	Recharge the battery immediately.

Warranty and Support

For any quality problems with your BAOFENG BF-888S walkie talkies, please contact the seller, Winshope, for a free replacement or refund. Your satisfaction is important.

Safety Information

- Refer to local government regulations before using this radio. Improper use may impose danger and violate the law.
- Turn off the radio before getting close to combustible or hazardous areas.
- Do not use the damaged antenna, which will easily get burnt while touching.
- Do not try to disassemble the radio; maintenance work should be done by qualified technicians.
- Avoid electromagnetic interference or electromagnetic compatibility issues.
- Do not use the radio in a car with an airbag.
